ASSIGNMENT

In consideration of the premises and other good and valuable consideration in hand paid, the receipt and sufficiency of which is hereby acknowledged, the undersigned,

- (1) Natsumi KIMURA (3) _____
(2) Katsumi ABE (4) _____

who have made a certain and useful invention, hereby sell, assign and transfer unto NOK Corporation, an organization existing under the laws of Japan having its principal office and place of business address located at 12-15, Shibadaimon 1-chome, Minato-ku, Tokyo, JAPAN, and its successors and assigns (hereinafter designated "ASSIGNEE"), the entire right, title and interest for the United States of America as defined in 35 U.S.C. 100 in the invention entitled

SURFACE-TREATING AGENT FOR VULCANIZED RUBBER

- (a) for which an application for United States Letters Patent was filed on _____, and identified by United States Serial No. _____; or
(b) for which an international application designating the United States was filed on _____, and identified by International Application No. _____; or
(c) for which an application for United States Letters Patent was executed on _____,

and the right to all benefits under the International Convention of the Protection of Industrial Property to said ASSIGNEE, for its interest as ASSIGNEE, its successors, assigns and legal representatives; together with the right to recover all damages, including, but not limited to, a reasonable royalty, by reason of past, present, or future infringement or any violation of patent or patent application rights; to have and to hold for the sole and exclusive use and benefit of the ASSIGNEE, its successors and assigns, to the full end of the term or terms for all such patents;

The undersigned hereby authorize and request the United States Commissioner of Patents and Trademarks to issue any and all United States Letters Patents which may be granted therefore and any and all extensions, divisions, reissues, substitutes, continuations, or continuations-in-part thereof.

AND the undersigned hereby agree to transfer a like interest, and to render all necessary assistance in making application for and obtaining original, divisional, reissue or extended Letters Patent of the United States upon request of said ASSIGNEE, its successors, assigns and legal representatives, and without further remuneration, in and to any improvements, and applications for patent based thereon, growing out of or related to said invention; assigns and legal representatives, deemed essential to ASSIGNEE's full protection and title in and to the invention hereby transferred.
