IN THE UNITED STATES
PATENT AND TRADEMARK OFFICE
Assignment and Agreement

For value received, **Frank Hartley**, of Arcadia, California, United States of America, hereby sell, assign and transfer to **Roc8Sci Co.**, having an office at 50 E. Foothill Boulevard, Third Floor, Arcadia, California, 91006, United States of America, and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to all of the inventions disclosed and claimed in United States Patent Application Serial No. **12/157513**, filed on **June 11, 2008**, Registration No. **8022366** registered on **September 20, 2011**, entitled **Non-Invasive Qualitative Measurement of Chemistry of Blood and Bodily Fluids**, and all the rights and privileges in said applications and under any and all Letters Patent that may be granted in the United States for said inventions. Frank Hartley also concurrently hereby sells, assigns and transfers to Roc8Sci Co. the entire right, title and interest in and to any and all divisional, continuation, continuation-in-part, substitute, reissue, and/or reexamination applications claiming the benefit of said application and any and all Letters Patent that may issue therefrom.

Frank Hartley also concurrently hereby sells, assigns and transfers to Roc8Sci Co. the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the patent applications aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

Frank Hartley authorizes Roc8Sci Co. to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from Frank Hartley, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

Frank Hartley hereby consents that a copy of this assignment shall be deemed a full legal and formal equivalent of any document, which may be required in any country in proof of the right of Roc8Sci Co. to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

Frank Hartley hereby acknowledges that in the event of a conflict of interest between Roc8Sci Co. and Frank Hartley, the firm of Kaplan Breyer Schwarz & Ottesen, LLP is the attorney for Roc8Sci Co. and is not Frank Hartley's attorney.

Frank Hartley requests that any and all patents for said inventions be issued to Roc8Sci Co. in the United States and in all countries foreign to the United States, or to such nominees as Roc8Sci Co. may designate.

Frank Hartley agrees that, when requested, it shall, without charge to Roc8Sci Co. but at its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
