ASSIGNMENT

THIS ASSIGNMENT, made by **E.G.O. ELEKTRO-GERAETEBAU GMBH**, a corporation having its principal place of business at Rote-Tor-Strasse, 75038 Oberderdingen, Germany, hereinafter referred to as Assignor;

WITNESSETH: That,

WHEREAS, as shown by the records of the United States Patent and Trademark Office, Assignor has previously acquired all right, title, and interest in and to the United States Patent identified on the attached Schedule and in and to all corresponding patents and/or patent applications worldwide, and in and to the inventions represented thereby; and,

WHEREAS **DIEHL AKO STIFTUNG & CO. KG**, a corporation having its principal place of business at Pfannerstraße 75-83, 88239 Wangen, Germany, hereinafter referred to as Assignee, is desirous of acquiring the joint and undivided right, title, and interest in and to said US Patent; and

WHEREAS, the parties have agreed to the Assignment hereinafter set forth;

NOW, THEREFORE, To All Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the above Assignor has sold and by these presents does hereby sell, assign, transfer, and convey unto the said Assignee, its successors and assigns, its prior entire right, title, and interest in and to said US Patent, and the Letters Patent, to the full end of the term for which said Letters Patent may be granted, together with the right to claim priority in all foreign countries in accordance with the International Convention; and all of its rights to sue for past infringement of said US Patent in the US, together with all claims for damage by reason of past infringement of said US Patent, with the right to sue for, and collect the same for Assignee's own joint use and enjoyment; all to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment had not been made.

From time to time after the date hereof, at the request of either party hereto, and at the expense of the party so requesting, each of the parties hereto shall execute and deliver to such requesting party such documents and take such other action as such requesting party may reasonably request in order to consummate more effectively the transaction contemplated hereby.

The Assignor further covenants and agrees that, at the time of the execution and delivery of these presents, it possesses full title to the inventions and US Patent thereon as earlier identified, and that it has the unencumbered right and authority to make this assignment.

Remainder of Page Intentionally Left Blank

IN WITNESS WHEREOF, the Assignor has caused this assignment to be executed this
13th day of March, 2017.
