Release of Security Interest in Intellectual Property

This Release of Security Interest in Intellectual Property (“Release”) is made as of March 27, 2017, by Monroe Capital Management Advisors, LLC, a Delaware limited liability company, in its capacity as agent for the Lenders (“Agent”).

WITNESSETH:

Whereas, Agent and BookIt Operating LLC, a Florida limited liability company, formerly known as Bookit.com, LLC (collectively, “Grantor”), were parties to a certain Credit Agreement, dated January 10, 2014, pursuant to which the parties entered a certain Trademark Security Agreement, dated January 10, 2014 (as heretofore, amended, supplemented, extended, modified or restated, the “Security Agreement”; capitalized terms used but not otherwise defined herein shall have the respective meanings ascribed thereto in the Security Agreement), pursuant to which Grantor granted a security interest to Agent in, among other things, the Collateral (as defined in the Security Agreement), including the Collateral set forth on Schedule 1 hereto and any patents filed or licenses granted thereafter (“Patents”), as security for certain obligations; and

Whereas, the Security Agreement was recorded by the Patent Assignment Recordation Branch of the United States Patent and Trademark Office on January 17, 2014 at Reel 032086/0628; and

Whereas, Grantor, requested that Agent release its security interest in the Collateral and reassign the same to Grantor;

Now Therefore, for good and valuable consideration, receipt and sufficiency of which are hereby acknowledged:

1. Agent hereby releases its security interest in all of Grantor’s right, title and interest in and to the Collateral and any Patents, including all of the following:

- a. all of its Patents and all Patent licenses providing for the grant by or to the Grantors of any right under any Patent, including, without limitation, those referred to on Schedule 1 hereto;
- b. all renewals and extensions of the foregoing;
- c. all products and proceeds of the foregoing, and all income, royalties, proceeds and liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

2. Agent hereby reassigns, grants and conveys to Grantor, all of Agent's right, title and interest in and to the Collateral and Patents without recourse, representation, warranty or other assurance of any kind. Agent hereby agrees that any and all rights provided by Security Agreement are fully released and terminated, with no rights remaining. Agent hereby authorizes Grantor, or Grantor's authorized representative to record this Release with the U.S. Patent and Trademark Office and any other domestic or foreign intellectual property office. Agent agrees that, at the request and cost of Grantor, it shall execute all other documents and do all other acts necessary to terminate the Security Agreement and effect the release of such right, title and interest to Grantor.

In Witness Whereof, Agent has caused this Release to be duly executed by its duly authorized officer effective as of the day and year first above written.
