IN THE UNITED STATES
PATENT AND TRADEMARK OFFICE
Assignment and Agreement

For value received, I/We, **Mathew Scott CORSON**, of Gillette, New Jersey, United States, hereby sell, assign and transfer to **WorldVu Satellites Limited**, having an office at 13 Castle Street, St Helier, JE4 5UT, Jersey, and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to all of the inventions disclosed and claimed in United States Patent Application Serial No. **15/468774**, filed on **March 24, 2017**, entitled **ADMISSION CONTROL SYSTEM FOR SATELLITE-BASED INTERNET ACCESS AND TRANSPORT**, which claims priority to **US Patent Application No. 62/312969**, filed on **March 24, 2016**, and all the rights and privileges in said applications and under any and all Letters Patent that may be granted in the United States for said inventions. I/We also concurrently hereby sell, assign and transfer to WorldVu Satellites Limited the entire right, title and interest in and to any and all divisional, continuation, continuation-in-part, substitute, reissue, and/or reexamination applications claiming the benefit of said application and any and all Letters Patent that may issue therefrom.

I/We also concurrently hereby sell, assign and transfer to WorldVu Satellites Limited the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the patent applications aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

I/We authorize WorldVu Satellites Limited to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from me/us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

I/We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document, which may be required in any country in proof of the right of WorldVu Satellites Limited to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

I/We request that any and all patents for said inventions be issued to WorldVu Satellites Limited in the United States and in all countries foreign to the United States, or to such nominees as WorldVu Satellites Limited may designate.

I agree that, when requested, I shall, without charge to WorldVu Satellites Limited but at its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
