ASSIGNMENT

This Assignment is made the 1st day of December, 2012 between:

(i) Henkel Italia S.p.A., an Italian company of Via Amoretti 78, Milano 20157, Italy, (hereinafter referred to as the "Assignor", which expression shall include his successors and assigns) of the one part:

AND

(ii) Henkel AG & Co. KGaA, a German company of Henkelstraße 67, 40191 Düsseldorf, Germany, (hereinafter referred to as the "Assignee" which expression shall include its successors and assigns) of the other part:

WHEREAS

- A. The Assignor has rights in or to an invention or inventions (hereinafter referred to as "the Inventions") with the Title "Brightening and Passivation of Stainless Steel Surfaces" as described in the attached invention disclosure document with the internal case number PT019216;
- B. The Assignee proposes to file one or more patent applications (hereinafter "the Patent Application(s)") for the Inventions;
- C. The Assignor wishes to assign to the Assignee any rights that he has in or to the Inventions, the Patent Application(s), and any patents and patent applications relating to the Inventions and/or derived from the Patent Application(s) and/or claiming priority from the Patent Application(s), and including but not limited to continuations, continuations-in-part, divisional applications, reissues, revalidations, registrations, inventors' certificates, petty patents, utility models, supplementary protection certificates and renewals and extensions thereof (hereinafter referred to as "the Inventions, Patents and Patent Applications").

NOW THIS ASSIGNMENT WITNESSETH THAT:

1. The Assignor hereby assigns releases and conveys to the Assignee:

- (i) the entire right, title and interest in and to the Inventions, Patents and Patent Applications; and
- (ii) the full right to apply for and obtain patents or other similar forms of protection in respect of the Inventions in any part of the World; and
- (iii) the right to claim convention priority from the Patent Application(s).

2. The Assignee accepts the assignment of:

- (i) the entire right, title and interest in and to the Inventions, Patents and Patent Applications; and
- (ii) the full right to apply for and obtain patents or other similar forms of protection in respect of the Inventions in any part of the World; and
- (iii) the right to claim convention priority from the Patent Application(s).

3. At the request and reasonable cost of the Assignee, the Assignor shall execute all such documents and do all such acts as may be necessary or proper for enabling the Assignee to perfect its right, title and interest in and to the Inventions, Patents and Patent Applications, and to prosecute, defend and enforce the Patents and Patent Applications, including but not limited to executing any application forms, confirmatory assignments, declarations, oaths, affidavits, technical reports and witness statements that may reasonably be required.

4. The formation, existence, construction, performance, validity and all aspects of the agreement shall be governed by German law and the parties submit to the exclusive jurisdiction of the German courts.

IN WITNESS whereof the parties hereto have entered into this agreement as from the day and year above written.
