For good and valuable consideration, the receipt of which is hereby acknowledged, we, **Stephanie VOLK, Ashburn, VA; Pat FROMAN, Lakeville, MN**, have sold, assigned and transferred, and do hereby sell, assign and transfer, unto **K2M, Inc.**, a corporation of the State of **VIRGINIA**, having its principal office in **600 Hope Parkway SE, Leesburg, Virginia 20175, USA**, and its successors, assigns, and legal representatives, the entire right, title and interest for the United States of America in and to certain inventions relating to improvements in **PACKAGE FOR MEDICAL DEVICE** (Docket No. **K001.7031US0**), described, illustrated and claimed in an application for Letters Patent of the United States of America executed by us on the dates indicated by our signatures below, together with the entire right, title and interest in and to the application, and in and to Letters Patent which may be issued upon the application, and upon any division, extension, continuation or reissue thereof.

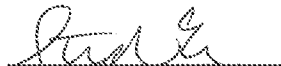

We hereby also sell, assign and transfer unto **K2M, Inc.**, the entire right, title and interest in and to the invention and in and to applications for Letters Patent therefor in all countries foreign to the United States of America, including all rights under any and all international conventions and treaties in respect of the invention and the applications for Letters Patent in foreign countries, and we further authorize **K2M, Inc.** to apply for Letters Patent in foreign countries directly in its own name, and to claim priority of the filing date of the application for Letters Patent of the United States of America under the provisions of any and all international conventions and treaties.

We agree that, when requested, we will, without charge to **K2M, Inc.**, but at its expense, sign all papers, take all rightful oaths, and do all acts which may
