**PATENT ASSIGNMENT  
AND LICENSE TERMINATION AGREEMENT**

This PATENT ASSIGNMENT AND LICENSE TERMINATION AGREEMENT ("Agreement"), made this 16<sup>th</sup> day of March, 2017, is by and between The Crane Group Companies Limited (f.k.a. - Crane Building Products, LLC), an Ohio limited liability company ("Assignor"), and Barrette Outdoor Living, Inc., an Ohio corporation ("Assignee").

**Recitals**

WHEREAS, Assignor and BarretteWood USA, Inc. ("BarretteWood") previously entered into that certain Patent License Agreement effective October 31, 2008 (the "License Agreement"), pursuant to which BarretteWood licensed certain patents and patent applications set forth at Exhibit "A" thereto, consisting of U.S. Patent No. 6,524,518, and U.S. Patent Application No. 11/460,485 (collectively, the "Licensed Patent Properties") to Licensor.

WHEREAS, pursuant to Section 7.4 of the License Agreement, BarretteWood has the right to assign its rights and obligations hereunder without the consent of Licensor. BarretteWood assigned its rights and obligations under the License Agreement to Assignee;

WHEREAS, pursuant to Section 3.4 of the License Agreement, Assignor previously notified BarretteWood and Assignee of its desire to abandon the Licensed Patent Properties, and Assignee has (a) requested that Assignor transfer and assign to Assignee U.S. Patent No. 6,524,518, and (b) indicated that it does not wish to take assignment of U.S. Patent Application No. 11/460,485.

WHEREAS, Assignor and Assignee desire to effect the transfer and assignment of U.S. Patent No. 6,524,518, and to formally terminate the License Agreement, on the terms set forth herein.

**Agreement**

NOW THEREFORE, in consideration of the mutual promises contained herein and intending to be legally bound hereby, the parties hereby agree as follows:

1. Assignor hereby sells, assigns, and transfers to Assignee all right, title and interest Assignor may own in and to U.S. Patent No. 6,524,518 (the "Patent"), and in and to any and all related direct or indirect divisions, continuations and continuations-in-part of the Patent, and any and all related Applications for Letters Patent and Letters Patent in the United States, all foreign countries, and all issuing bodies, which may be granted therefore and thereon, and reissues, reexaminations and extension of said Letters Patent, and all inventions included therein, the same to be held and enjoyed by Assignee, for its own use and benefit and for the use and benefit of its successors, legal representatives and assigns, to the full end of the term for which Letters Patent may be granted and/or

extended, including all rights of recovery based on past infringement of said Patents, as fully and entirely as the same would have been held and enjoyed by Assignor, had this sale and assignment not been made.

2. Following the execution of this Agreement, each party shall deliver to the other such further information and documents and shall execute and deliver to the other such further instruments and agreements as the other party shall reasonably request to consummate or confirm the transactions provided for in this Agreement, to accomplish the purpose of this Agreement or to assure to the other party the benefits of this Agreement. Assignor hereby authorizes the Commissioner for Patents in the United States Patent and Trademark Office to record and register this Patent Assignment upon request by Assignee.
3. The terms of this Agreement, and the assignment granted hereby, supersede and in all respects replace the License Agreement and the terms of any other prior agreement between Assignor and Assignee pertaining to the use of, or any other rights associated with, the Licensed Patent Properties owned or controlled by Assignor, and Assignor and Assignee hereby further agree that, effective immediately following the assignment made herein, the License Agreement and any other such prior agreement between Assignee and Assignor that pertains to the use of, or any other rights associated with, the Licensed Patent Properties, shall terminate and be of no further force or effect.
