EXHIBIT C

PATENT ASSIGNMENT

WHEREAS, BioBeats, Inc., a company incorporated in California, whose registered office is at 350 Frank Ogawa Plaza, Suite 100, Oakland, California 94612, United States (hereinafter "**Company**"), is the sole and exclusive owner of certain United States and/or non-United States/foreign patents and/or patent applications listed in Exhibit 1 annexed hereto (collectively referred to as the "**Patents and Patent Applications**");

AND WHEREAS, the Company and Mindful Sound Limited, a private limited company incorporated under the laws of England and Wales with company number 07727135 whose registered office is at C/O Chaddeley Sanford, 3rd Floor, 3 Fitzhardinge Street, London W1H 6EF, United Kingdom (hereinafter "**Mindful Sound**") have entered into an Intellectual Property Transfer Agreement dated as of December 24, 2015 (the "**Transfer Agreement**");

AND WHEREAS, Mindful Sound is desirous of acquiring the right, title and interest in, to and under the said Patents and Patent Applications (and all foreign counterparts and related foreign patents).

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the Company does hereby sell, transfer, convey, assign and deliver to Mindful Sound all of the Company's worldwide right, title and interest in and to the Patent and Patent Applications and any patents that may issue therefrom, including any foreign counterparts, divisions, continuations, or reissues of such patents, the same to be held by Mindful Sound for Mindful Sound's own use and enjoyment, and for the use and enjoyment of Mindful Sound's successors, assigns and other legal representatives, as fully and entirely as the same would have been held and enjoyed by the Company if this Patent Assignment and sale had not been made; together with all claims for damages by reason of past infringements of the Patent and Patent Applications, along with the right to sue for and collect such damages for the use and benefit of Mindful Sound and its successors, assigns and other legal representatives;

AND the Company hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States, and any officer of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of intellectual property protection or applications as aforesaid, to issue the same to Mindful Sound and its successors, assigns and other legal representatives in accordance with the terms of this instrument;

AND the Company does hereby covenant with Mindful Sound and the successors and permitted assigns of Mindful Sound that, from time to time after the date hereof, and at Mindful Sound's sole expense, the Company will promptly execute and deliver to Mindful Sound or shall promptly procure the execution and delivery of any and all such instruments of sale, transfer, conveyance, assignment and delivery, consents, assurances, powers of attorney and other instruments as may reasonably be requested by Mindful Sound in order to vest in Mindful Sound all of the Company's right, title and interest in and to the Patents and Patent Applications and carry out the purpose and intent of this Patent Assignment and the Transfer Agreement;

PATENT ASSIGNMENT

PATENT
REEL: 037824 FRAME: 0048

AND notwithstanding any other provisions of this Patent Assignment to the contrary, nothing contained in this Patent Assignment shall in any way supersede, modify, replace, amend, change, rescind, waive, exceed, expand, enlarge, or in any way affect the provisions, including warranties, covenants, agreements, conditions, representations, or in general any of the rights and remedies, or any of the obligations and indemnifications of the Company or Mindful Sound set forth in the Transfer Agreement. This Patent Assignment is intended only to effect the transfer of certain intellectual property transferred pursuant to the Transfer Agreement and shall be governed entirely in accordance with the terms and conditions of the Transfer Agreement;

AND the terms and covenants of this Patent Assignment shall inure to the benefit of Mindful Sound, its successors and assigns, and shall be binding upon the Company and its successors and assigns.
