ASSIGNMENT

WHEREAS, U.S. Patent Application No. 61/640,769 filed on May 1, 2012, U.S. Patent Application No. PCT/US2012/061848 filed on October 25, 2012, and U.S. Patent Application No. 14/397,772 filed as a U.S. national stage on October 29, 2014, and entitled “Inflatable Solar-Powered Light” (hereinafter referred to as “the Applications”) names Andrea Mary Sreshta and Anna Ruth Stork as inventors;

WHEREAS, Sreshta and Stork assigned their entire right, title, and interest in the Applications to THE TRUSTEES OF COLUMBIA UNIVERSITY IN THE CITY OF NEW YORK (hereinafter referred to as Assignor) by virtue of the following assignments:

- an assignment of 61/640,769 dated August 14, 2012 and August 20, 2012 and recorded at the U.S. Patent and Trademark Office at Reel/Frame 028817/0760 on August 21, 2012; and
- an assignment of PCT/US2012/061848 dated October 24, 2014 and recorded at the U.S. Patent and Trademark Office at Reel/Frame 034046/0886 on October 28, 2014;

WHEREAS, as a result of the assignment from Sreshta and Stork, Assignor acquired the entire right, title, and interest in the Applications;

WHEREAS, LuminAID LAB, LLC (hereinafter referred to as Assignee), a business entity having a corporate address at **5718 Westheimer Rd. Suite 765, Houston, TX 77057**, is desirous of acquiring from Assignor its entire right, title, and interest in the Applications;

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN, BE IT KNOWN that we, the said Assignor, for valuable consideration, the receipt and sufficiency of which are acknowledged, hereby sell, assign, transfer and convey unto said Assignee our entire right, title and interest, both legal and equitable, throughout the world, in the Applications as acquired from Sreshta and Stork, and to the inventions described therein; all foreign patent applications claiming priority thereto; all continuations, all continuations-in-part but only to the extent they claim inventions described by the Applications in the manner required under 35 USC 112, and all divisionals; patents issuing from any of the foregoing; and reissues, substitutes, renewals, reexaminations, supplemental examinations, inter partes reviews, oppositions, post-grant reviews, and foreign equivalents thereof and supplementary protection certificates or other extensions allowed on any of the foregoing, including without limitation to claim priority benefit of or to said patent applications (collectively the “Patent Rights”) for Assignee’s own use and enjoyment, and for the use and enjoyment of its successors, assigns, or other legal representatives; including without limitations, all claims for damages by reason of infringement or other unauthorized use of the Patent Rights commencing on or after the date that is the later of (a) Assignor’s execution date and (b) Assignee’s acceptance date, with the right to sue for, and collect the same for its own use and enjoyment, and for the use and enjoyment of its successors, assigns, or other legal representatives.

The parties execute and deliver this Assignment by their respective signatories below.

IN WITNESS WHEREOF, we, the said Assignor, have hereunto set our hand and seal on the date below written.
