PATENT ASSIGNMENT

This Patent Assignment ("Assignment"), effective as of January 1, 2017 ("Effective Date") is by and between YouVisit LLC, a Delaware limited liability company (hereafter, together with any successors, legal representatives or assigns thereof, called "Assignor") and Immersive Enterprises, LLC, a Delaware limited liability company (hereafter, together with any successors, legal representatives or assigns thereof, called "Assignee" and together with Assignor, the "Parties"). Capitalized terms used and not otherwise defined herein shall have the meanings ascribed to them in that certain Contribution Agreement (defined below).

WHEREAS, Assignor is the owner of all right, title and interest in, to and under that certain patent application (the "Patent"), as identified in Schedule A hereto;

WHEREAS, the Parties have entered into a Distribution and Contribution Agreement dated January 1, 2017 (the "Contribution Agreement") pursuant to which Assignor contributed to Assignee and agreed to assign and transfer to Assignee the Patent and all rights therein;

WHEREAS, pursuant to the Contribution Agreement, Assignor has agreed to execute and deliver certain certificates, instruments and documents, including, but not limited to, instruments of assignment of the Patent, so as to effect the assignment of the Patent; and

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor and Assignee agree as follows:

1. Assignor hereby assigns, sells, transfers, grants and conveys to Assignee, its successors and assigns the entire right, title and interest in, to and under the Patent, including the ideas and inventions disclosed and claimed therein, and to all international priority rights relating thereto throughout the world, and in and to any provisional applications, substitutions, continuations, continuations-in-part, divisionals, reissues, reexamination certificates, renewals and extensions thereof and all foreign rights, patents and patent applications corresponding thereto, along with any and all rights of enforcement with respect thereto, including all rights to receive royalties, rights to sue, settle and recover damages relating to any past, present, and future infringement, violation and/or misappropriation thereof, and any and all choses in action related thereto, said letters patent to be held and enjoyed by Assignee for its use and benefit and for the use and benefit of its successors and assigns as fully and entirely as the same would have been held and enjoyed by Assignor had this assignment, transfer, and sale not been made. Assignor agrees to execute all instruments and documents required for litigation regarding any letters patent issuing on the Patent or for the purpose of protecting title to said Patent. The Assignee may apply for and receive patents in its own name wherever so permitted by law.
2. Nothing contained in this Assignment shall be construed to limit, terminate or expand the representations, warranties or covenants set forth in the Contribution Agreement.
3. Assignor hereby authorizes and requests the Commissioner of the United States Trademark and Patent Office, and the corresponding entity or agency in any applicable foreign country, to record Assignee as owner of the Patent, including any continuations, divisionals, continuations-in-part, provisionals, reissues, reexaminations, international applications or extensions thereof, and to issue any and all letters patent thereon to Assignee, as assignee of the entire right, title and interest in, to and under the same, for the sole use and enjoyment of Assignee, its successors, assigns or other legal representatives.
4. This Assignment shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.
5. This Assignment shall be governed by, and construed in accordance with the laws of the State of New York without regard to any applicable conflicts of law.
6. This Assignment may be executed in two or more counterparts, each of which will be deemed an original, but all of which together shall constitute one and the same instrument. Any counterpart or other signature hereupon delivered by facsimile shall be deemed for all purposes as constituting good and valid execution and delivery of this Assignment by such party.

IN WITNESS WHEREOF, the person executing this Agreement as of the Effective Date in a representative capacity on behalf of Assignor warrants that he/she is fully authorized and empowered to do so and sets his/her hand and seal the day and year set with his/her signature.
