TRANSFER OF INVENTION

between	
EVANS SANTAGIULIANA Via Medici, 18 I-36100 Vicenza (VI) Italy - Inventor -	TAPLAST S.P.A. Via Marosticana, 65/67 I-36031 Dueville-Povolara (VI) Italy - Assignee -
and	

1. **Inventor** has made the invention described in Italian application no. VIZ013A000130 filed on 8 May 2013, international patent application no. PCT/IB2014/061086 filed on 29 April 2014 and US patent application no. 14/889458 entitled, "DEVICE FOR DISPENSING FLUIDS" (hereinafter referred to as the "Invention").
2. The parties agree and herewith confirm that the **Inventor's** entire right, title and interest in the Invention, including but not limited to the right to claim priority and file applications worldwide, including but not limited to utility models, patent applications, divisional applications, continuation applications, continuation-in-part applications, provisional applications and reissue applications, and the right to engage in reexamination, enforce and/or license the intellectual property rights granted for the above-identified Invention, and recover damages for infringement of the same, were and are thereby assigned and transferred to Assignee, and the successors, assigns and other legal representatives of the Assignee, for good and valuable consideration not less than one dollar for all countries worldwide and under any international agreement, including but not limited to the Paris Convention, the Patent Cooperation Treaty, the European Patent Convention, and the Eurasian Patent Convention.
3. **Inventor** further covenants that **Inventor** will testify on behalf of Assignee, its successors and assigns in any legal or administrative proceeding involving one or more applications or granted rights directed to the above-identified Invention and generally do everything possible to aid Assignee, its successors and assigns in obtaining, defending and enforcing intellectual property rights in this Invention. This includes both communicating all facts known respecting said Invention and signing and delivering any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue, defend or enforce any application or granted right in the above-identified Invention.
4. This agreement is effective as of 29 April 2014.
5. In case of any controversies, including the validity, construction or performance of this Agreement, the courts of Italy shall have exclusive jurisdiction. This agreement, as well as the underlying assignment of the Invention to Assignee, is governed by the applicable laws of Italy.
