ASSIGNMENT

WHEREAS, I:

Randall Walter Ojanen, a citizen of the United States of America, residing at 508 Crestfield Road, Bristol, Tennessee 37620 country of United States of America and having the same as my postal address,;

have invented a new ornamental design disclosed in an application for Letters Patent entitled:

"ROTATABLE CUTTING BIT"

(hereinafter referred to as "Invention") for which I am making application for Letters Patent in the United States of America;

WHEREAS, **American Carbide Tools Innovations, LLC**, a corporation of the State of Delaware and having a principal place of business at 17100 Lee Highway, Abingdon, Virginia 24210 is desirous of acquiring an interest in the same ("ASSIGNEE");

WHEREAS, I, Randall Walter Ojanen, desire to assign a one hundred percent (100%) undivided interest in the Invention, the application disclosing the Invention and in the Letters Patent which may be granted thereon to the above-identified Assignee;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, Randall Walter Ojanen do hereby sell, assign and transfer unto said ASSIGNEE, the full, exclusive and entire right, title and interest in and to: the Invention; all inventions and improvements disclosed and described in the application; and any and all Patents which may be granted therefor in the United States. I hereby request the Commissioner of Patents and Trademarks to issue any and all Letters Patent of the United States resulting from the application, thereof, to **American Carbide Tools Innovations, LLC**, as the Assignee of the whole right, title and interest thereto and for the sole interest, use and benefit of ASSIGNEE, its assigns and legal representatives to the full term for which said Patent may be granted.

I further agree to sign and properly execute all necessary and lawful papers for application for foreign patents and other applications, make all assignments and rightful oaths, and generally do everything possible to aid ASSIGNEE, its successors, assigns, and nominees to obtain and enforce proper protection for all said inventions and improvements in all countries throughout the world.
