ASSIGNMENT – JOINT INVENTORS

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

WHEREAS Mark G. Kupelian having an address of 2300 Winchester Road, Neenah, Wisconsin 54956; Lei Huang having an address of 2300 Winchester Road, Neenah, Wisconsin 54956; John H. Conrad having an address of 2300 Winchester Road, Neenah, Wisconsin 54956; Jeffrey J. Krueger having an address of 1050 Cranberry Creek, Roswell, Georgia 30076; and Ray A. Sterling having an address of 2300 Winchester Road, Neenah, Wisconsin 54956 (hereinafter collectively referred to as Assignors), have made an invention as described in the International Patent Application filed herewith; and which is entitled:

SOFT AND DURABLE NONWOVEN WEB

and;

WHEREAS, Kimberly-Clark Worldwide, Inc., 2300 Winchester Road, Neenah, Wisconsin 54956, as Assignee, is desirous of securing the entire right, title and interest in and to this invention, including any related know-how and technology, in all countries throughout the world, and in and to the application for this invention and any patent to be issued upon this application;

NOW, THEREFORE, be it known that for good and valuable consideration the receipt of which from Assignee is hereby acknowledged, we, as Assignors, have assigned, transferred, and set over, and do hereby assign, transfer, and set over unto the Assignee, its lawful successors and assigns, our entire right, title, and interest in and to this invention and any related know-how and technology, including the above-identified patent application and all divisions, continuations, and continuations-in-part thereof, and all patents which may be granted thereon, and all reissues thereof, and all rights to claim priority on the basis of such applications, and all applications for patents which may hereafter be filed for this invention in any country and all patents which may be granted on this invention in any country, and all extensions, renewals, and reissues thereof, and we hereby authorize any official of any country whose duty it is to issue

patents on applications as described above, to issue all patents for this invention to Assignee, its successors and assigns, in accordance with the terms of this Agreement.

We, as Assignors, hereby covenant that we have the full right to convey the entire interest assigned by this Assignment, and we have not executed, and will not execute any agreement in conflict with this Assignment.

We further covenant and agree that we will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to us respecting this invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title of this invention in said Assignee, its successors and assigns, execute all divisional, continuation, continuation-in-part, and reissue applications, make all rightful oaths and declarations and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for this invention in any country. Assignors also hereby irrevocably appoint Assignee as its attorney-in-fact for the purpose of executing any such papers.

IN WITNESS WHEREOF, Assignors have executed this document on the date indicated below.
