PATENT ASSIGNMENT

WHEREAS, Elizabeth B. Fingold, Executrix of the Estate of Reuben Fingold, (hereinafter "Assignor"), is the owner of certain Patent Property as hereinafter defined; and

WHEREAS, Elizabeth B. Fingold, as an individual, (hereinafter "Assignee"), is desirous of acquiring ownership thereof.

NOW, THEREFORE, be it known that for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor has assigned and by these presents does hereby sell, assign, transfer, and convey unto the Assignee, its successors and assigns, its entire right, title, and interest in and to United States Patent Application Serial No. 15/257,988 filed September 7, 2016 and entitled HAIR CUTTING ASSEMBLY AND ASSOCIATED METHOD (herein referred to as "Patent Property"), and the invention disclosed therein, including the right to sue for past infringements and any other prior occurring rights, provided any such rights exist, and in and to any and all domestic and foreign patent applications filed on the inventions, and in and to any and all continuations, continuations-in-part, divisions and reissues thereof, and in and to any and all letters patent of the United States of America, and all foreign countries or reissues thereof which may be granted therefor or thereon, for the full end of the term for which said letters patent may be granted, together with his right to claim the priority of said application in all foreign countries in accordance with the International Convention, the same to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made. Assignor further assigns to Assignee the right to claim entitlement and/or priority to any applications that entitlement or priority may be claimed for this or any later filed application.

Assignee hereby requests that any letters patent to be issued in connection with pending United States Patent Application Serial No. 15/257,988 be issued in accordance with this assignment.

Assignor further covenants and agrees that, at the time of the execution and delivery of these presents, Assignor possesses full title to the invention and Patent Property, and that it has the unencumbered right and authority to make this assignment.

Assignor further covenants and agrees, and likewise binds its heirs, legal representatives and assigns, to promptly communicate to said Assignee or its representatives any facts known to it relating to said invention and Patent Property, to testify in any interference or legal proceedings involving said invention and Patent Property, to execute any additional papers which may be requested to confirm the right of the Assignee, its representative, successors and assigns to secure patent or similar protection for the said invention and Patent Property in all countries and to vest in the Assignee complete title to the said invention and Patent Property, without further compensation, but at the expense of said Assignee, its successors, assigns and other legal representatives.

Executed as of this 22nd day of February, 2017
