(Assignee)

RECITALS

- A. The Assignor is the applicant of the International patent application and the national phase applications derived therefrom listed in Schedule 1 (**Applications**), which describe or claim (or both) one or more inventions (**Inventions**).
- B. Pursuant to a Deed of Assignment of Intellectual Property dated 10 December 2015 (**Assignment**), all right, title and interest in and to the Inventions, the Applications and related rights, was assigned from the Assignor to the Assignee.
- C. The parties wish to acknowledge the Assignee's entitlement to the Inventions, all the Applications listed in Schedule 1 and related rights.

NOW THIS DEED WITNESSES as follows:

1. EFFECT OF DEED

Each party acknowledges that this Deed is effective on and from the abovementioned date.

2. ACKNOWLEDGEMENT

The parties acknowledge and agree that, pursuant to the Assignment, the Assignee is entitled to all right, title and interest in and to the Inventions, the Applications listed in Schedule 1 and related rights, absolutely.

3. ASSIGNMENT

To the extent that, as at the date of this Deed, the Assignor holds any right, title or interest in and to the Inventions, the Applications or related rights, the Assignor hereby assigns to the Assignee absolutely all their right, title and interest in and to:

- (a) the Applications, the Inventions, including, without limitation, the right to apply for patents or similar legal protection in respect of the Inventions in any country or region of the world (whether as a refiling of any or all of the Applications, a divisional application, a continuation or a continuation in part

or an application made under the Patent Cooperation Treaty, including any national or regional phase entry deriving from such applications), including all rights of priority to the Applications, and to make such applications including in the name of the Assignor, so that any patents or similar legal protection granted on any or all such applications shall be in the name of, and any such patents or similar protection shall vest in, the Assignee; and

- (b) all powers, privileges and immunities arising or accrued in respect of the Applications and the Inventions including, without limitation, the right to sue for and obtain damages, profits, compensation and other relief (and retain any financial awards made) in respect of any infringement of such patents or similar legal protection granted or in respect of any interference with any rights assigned pursuant to this Deed, whether occurring before or after the date of this Deed,

(together, the **Assigned Rights**).

4. GENERAL

4.1 Further Assurances

Each of the parties undertakes to execute all further documents and render all assistance reasonably required for the purpose of giving full effect to this Deed, including, but not limited to, confirming or recording the title of the Assignee in the Inventions, the Applications and any patents or other similar legal protection granted in respect of the Inventions and for securing for the Assignee the full benefit of the Assigned Rights.

4.2 Power of Attorney

The Assignor hereby irrevocably appoints the Assignee as his or her respective attorney to do all things that the Assignee considers reasonably necessary for the purpose of assigning or perfecting the Assigned Rights including, without limitation, to make, execute and deliver any forms, filings, requests, instructions, certificates, letters and other documents necessary for recording the Assignee as the owner of the Assigned Rights.

4.3 Variations

No variation of this Deed will be of any force or effect unless it is in writing and signed by each party to this Deed.

4.4 Governing Law

This Deed shall be governed by and construed according to the laws of the State of New South Wales, Australia.

4.5 Counterpart

The Deed may be executed in counterparts by each party to this Deed, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same document. Each party shall be bound by this Deed immediately upon executing it.
