## ASSIGNMENT

THIS ASSIGNMENT, effective as of the date indicated below, is by and between Woo-Chul Lee, and Soon-Hyoung Lee ("Assignors"), individuals, and Seacon, LLC ("Company"), a Delaware limited liability company.

WHEREAS, the Assignors, have made a certain invention or inventions which are disclosed in the US patent application entitled: "Waste Water Treatment Method and Apparatus" with attorney docket number 31 (hereinafter "Application"), the specification of which is submitted herewith;

WHEREAS, Company is desirous of acquiring the entire right, title and interest in and to said invention or inventions and any and all patents to be obtained therefor;

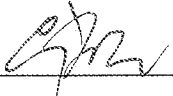

NOW, THEREFORE, FOR GOOD AND VALUABLE CONSIDERATION, the receipt of which is hereby acknowledged, the Assignors do hereby sell, assign and transfer to said Company, its successors and assigns, the entire right, title and interest in and to said invention or inventions, in any form or embodiment thereof, and in and to said Application; and in and to any and all applications filed in any country based thereon, including the right to file applications in countries other than the country of priority filing under the provisions of any international convention; also in and to any and all improvements on said invention or inventions now or hereafter made by me/us as employee(s), agent(s) or contractor(s) of said Company also the entire right, title and interest in and to any and all patents, including reissues and extensions thereof, to be obtained in any country upon said invention, inventions or improvements; and any and all continuing applications, including divisional, continuation and continuation-in-part applications, substitute applications, and applications claiming benefit of an earlier filed provisional application, which may be filed upon said invention, inventions or improvements in any country; and

Assignors hereby authorize and request the issuing authority to issue any and all patents on said Application or applications to said Company, as assignee of the entire interest.

Assignors further agree, without any payment by the Company other than in reimbursement of reasonable expenses Assignors may incur, to communicate to said Company, its representatives or agents, any facts relating to said invention, inventions or improvements, including evidence for purposes of interference, opposition or other legal proceedings, whenever requested; testify in any interference, opposition or other legal proceedings, whenever requested; and execute and deliver, on request, all lawful papers required to make any of the foregoing provisions effective.

IN TESTIMONY WHEREOF, Assignors and Company have hereto set our hands on the dates set after our signatures.
