GLOBAL GENERAL ASSIGNMENT

WHEREAS Alimentary Health Limited, an Ireland corporation, having a place of business at 2800 Cork Airport Business Park, Kinsale Road, Cork, Ireland, its successors, assigns and legal representatives, declares that it is the sole owner of certain invention(s), as set forth in a patent application (including industrial designs and utility models), whether claimed or unclaimed, entitled PROBIOTIC BIFIDOBACTERIUM STRAIN, Attorney's Docket No. 12424 and filed in the PCT Patent Office as Number IE2010/000066, on November 11, 2010. (Alimentary Health Limited grants the hereinafter named assignee and/or any person authorized thereby, the power to insert the Serial Number and filing date of said application in this document when ascertained.)

For valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Alimentary Health Limited assigns to The Procter & Gamble Company, its legal representatives, successors and assigns, fifty percent (50%) of the entire right, title, and interest owned by Alimentary Health Limited, in the United States and throughout the world, in, to and under said invention(s) and all patents, patent applications, patent rights, and inventor's certificates thereof, therefore, and therein, including without limitation said application, all divisions and continuations thereof, all patents which may be granted thereon, all reissues and extensions thereof, all patents which may be granted for said invention(s) by states or nations other than the United States, or by other authority, entity, or organization, and all applications therefore (including the right to claim priority of the filing date of said application in the United States and/or under international conventions), as fully and completely as the same would have been held by Alimentary Health Limited had this assignment not been made. Fifty percent (50%) of the entire right, title and interest shall vest irrevocably in The Procter & Gamble Company. Alimentary Health Limited further agrees upon request, without additional compensation, but at no expense to Alimentary Health Limited, to assist The Procter & Gamble Company in obtaining signatures for any applications or any other legal documents as may be necessary or desirable to vest the enjoyment of the rights assigned to The Procter & Gamble Company, its legal representatives, successors and assigns, or as The Procter & Gamble Company may direct.

Alimentary Health Limited requests and authorizes the Commissioner of Patents and Trademarks and/or appropriately empowered officials of foreign countries to issue any and all Patent(s) and/or letters patent(s) which may be granted for said invention(s) herein assigned and as set forth in U. S. Application Serial Number 13/468,374 to Alimentary Health Limited, its successors, assigns and legal representatives, and The Procter & Gamble Company, its legal representatives, successors or assigns, as "Joint Applicants" each the owner of fifty percent (50%) of the right, title, and interest in said Patent(s).

This GLOBAL GENERAL ASSIGNMENT is effective as of the date of execution shown below
