Subject: transfer of ASSIGNEE Patents US D501063 S1 and US D514747 S1

Date: November 24 2004

OMNIBUS ASSIGNMENT

The assignment of the patents Animal mobile-home US D501063 S1 and Animal mobile home US D514747 S1 is given by ("assignor") Eurogroup Rappresentanze SNC located at Via Brigata Julia 34/36, 35020 Pernumia, Italy in the person of its CEO Emanuele Bianchi to ("assignee") PETEGO EGR LLC located at 8 South Michigan Avenue unit 1601, Chicago IL 60603 USA

For good and valuable consideration, the receipt of which is hereby acknowledged, Assignor does hereby sell, assign, transfer and deliver to Assignee all rights, title and interest of every kind and character throughout the World (including but not limited to all patents rights, rights to invention, priority rights under any convention, continuations, divisions, reissues, reexaminations, copyrights, moral rights, termination rights, trademark rights, and other proprietary rights) in and to the invention, and all improvements and derivative works thereof, identified by EXHIBITS A, B, attached hereto (collectively, "inventions"), together with the goodwill of the business symbolized by any marks or names relating thereto, and including without limitation all registrations and applications, in the USA and for all foreign countries, including any renewals and extensions of registrations that are or may be secured under the laws of the USA and all foreign countries, now or hereinafter in effect, for Assignee's own use and enjoyment, and for the use and the enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if these Assignments had not being made; together with all income, royalties or payments due or payable as of the effective date thereof or thereafter, including without limitation, or claims for damages by reason of past, present or future infringements or other unauthorized usage, with the right to sue for, and collect the same for Assignee's own use and enjoyment and for the use and enjoyment of its successors, Assigns or other legal representatives, in respect of which Assignor waves any rights to receive any portion thereof.

Assignor requests all registering authorities to record Assignee as the assignee and owner thereof. At the request and expense of Assignee, Assignor shall do all such things and sign all documents or instruments reasonably necessary in the opinion of Assignee to enable Assignee to obtain, improve, perfect, exploit, defend and enforce its rights hereunder. Assignor hereby irrevocably appoints Assignee as its attorney-in-fact to execute, acknowledge and deliver any documents or instruments that Assignee deems appropriate to fulfill the intent of this Assignment.

Assignor represents and warrants to Assignee that Assignor has full rights, power and authority to make this Assignment of the Inventions to the Assignee in the manner set forth above, and that Assignor is transferring to Assignee good and marketable title to the Inventions, free and clear of all liens, security interest, claims, interests, options, encumbrances, or indebtedness of any kind.

IN WITNESS WHEREOF, the undersigned caused this Assignment to be duly executed this 24th day of November 2004
