ASSIGNMENT

WHEREAS, we, **Paul Julien Gagnon Jr., Michael Anthony Raposa, and David Wayne Jordan**, believe we have made a certain invention and/or discovery (hereinafter the "Invention") for which a Letters Patent has been granted and may be identified as U.S. Patent No. 8,753,455 issued June 17, 2014 and entitled:

Brazing Material Containing a Flux

WHEREAS, **Handy & Harman**, a corporation organized and existing under and by virtue of the laws of the State of New York and having its principal place of business at 1133 Westchester Avenue, White Plains, NY 10604, is desirous of acquiring the entire interest in and to said Invention and said Letters Patent.

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00) and other good and valuable consideration paid to us, the receipt and sufficiency whereof are hereby acknowledged, we have sold, assigned, and set over and by these presents do hereby sell, assign, and set over unto Handy & Harman. (the "Assignee") and its legal representatives, successors, and assigns, the entire right, title, and interest in the Invention including any and all applications, for Letters Patent heretofore and hereafter filed in the United States or any other country and which may be based in whole or in part on said Invention, and in and to any and all Letters Patent heretofore or hereafter granted by the United States or any other country and which may be based in whole or in part on said Invention, said assignment including the right to file and prosecute any and all such applications and also including the right to sue and recover for any and all such applications and also including the right to sue and recover for any and all infringements of said patents; and request the U.S. Commissioner of Patents or other similar foreign officials to issue said Letters Patent to the above-mentioned Assignee agreeably with the terms of this assignment.

WE HEREBY AUTHORIZE the law firm of Boyle Fredrickson, S.C. the power to insert in this instrument any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent Office or other patent offices for recordation of this document.

UPON SAID CONSIDERATION, we do hereby covenant for ourselves and our heirs, legal representatives, and assigns that neither we nor any of our said heirs, legal representatives, or assigns have or will execute any instrument or perform any act in conflict herewith and that we or our said heirs, legal representatives, and assigns will at all times do such acts and execute such papers, without expense to ourselves, as may be necessary or desirable in order to fully protect said Invention for the benefit of said Assignee, its successors or assigns, and to otherwise carry into full force and effect the text and interest of this Assignment.

IN WITNESS WHEREOF, we have executed and delivered this Assignment this _____ day of _____, 2014.
