AND WHEREAS, Stout Medical Group, L.P, a limited partnership organized under the laws of the state of Delaware and having its principal offices at 410 East Walnut Street, Suite 8, Perkusie, Pennsylvania 18944, together with any successors, legal representatives, or assigns thereof, (the "Assignee"), desires to acquire the entire right, title, and interest in and to the Flip Ring Invention (defined below), and any United States and foreign patents to be obtained therefor.

NOW THEREFORE, the Assignors hereby assign, convey, and transfer unto Assignee, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the entire right, title, and interest in and to:

said Invention;

said Applications, including any and all provisional applications or non-provisional applications claiming priority to or having any relationship to any of the aforesaid and all divisions, continuations, continuations-in-part, reissues, and reexaminations thereof;

any and all foreign and PCT applications claiming priority to any of the aforesaid;

any and all Letters Patent of the United States and all countries foreign thereto, which may be granted or have been granted for any of the aforesaid, and any and all reissues and reexaminations thereof;

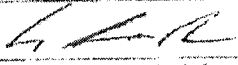

any and all priority rights, convention rights, and other benefits accruing or to accrue to the Assignors with respect to the filing of applications for patents or the securing of patents in the United States and countries foreign thereto; and

any and all rights to recover damages for past infringement of any and all said Letters

Patent (collectively, all of the aforesaid the "Flip Ring Invention").

AND THE ASSIGNORS HEREBY AGREE to sign and execute all necessary and lawful future documents, including additional applications related to the Flip Ring Invention, and/or any applications for reissue or reexamination of any Letters Patent which may be granted for same, which the Assignee may from time to time require and prepare at Assignee's expense.
