**Assignment and Declaration (37 C.F.R. 1.63) For Utility or  
Design Application Using An Application Data Sheet (37 C.F.R. 1.76)**

Title: Dry Ice Blast Cleaning System and Method for Operating the Same

This declaration is directed to: \_\_\_\_\_ The attached application, or

XX United States application or PCT international application  
number 14645897 filed on March 12, 2015

The above-identified application was made or authorized to be made by me.

I hereby state that I have reviewed and understand the contents of the specification in the above identified application, including the claims.

I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.

I am aware of the duty to disclose information which is material to patentability as defined in 37 C.F.R. 1.56 including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.

For good and valuable consideration, the receipt of which is hereby acknowledged, I do sell and set over to Nu-Ice Age, Inc. a Michigan corporation having a place of business at 9700 Meyers Road, Clark Lake, MI 49234 hereinafter ASSIGNEE, its successors, assigns or other legal representatives to make applications and to receive Letters Patent for the inventions and discoveries in any and all countries, entities and intergovernmental organizations, in its or their own name or names, or in my name, at its or their election (and I hereby authorize the ASSIGNEE or ASSIGNEE'S attorney to insert the serial/application number and filing date of the application to receive letters Patent herein: Serial No. 14/645897, Filing date March 12, 2015 ), and I hereby sell, assign and set over to the Assignee, it's successors, assigned or other legal representatives, all rights of priority, including any provisional applications, in and to the inventions and discovers in any and all countries, entities and intergovernmental organizations including all applications claiming benefit of the filing date thereof, continuations, continuations-in-part, divisionals, reexaminations and reissue applications.

I hereby agree for myself, my heirs, successors, assigns or other legal representatives to make all rightful oaths and generally do everything possible, to testify in any legal proceeding, to execute any and all papers, including application for Letters Patent of any and all kinds and in any and all countries, entities and intergovernmental organizations and to perform any and all acts which the ASSIGNEE, it's successors, assigns or other legal representatives may deem necessary to secure thereto the rights herein sold, assigned and set over.

I hereby represent and warrant that I have not granted any rights inconsistent with the rights granted herein.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.
