ASSIGNMENT

WHEREAS, Thomas Terrence Kimener (hereinafter referred to as the "Assignor"), is the sole named inventor of United States Patent Application Serial No. 62/206,869, titled "TRAILER STABILIZER AND RESTRAINT," and United States Patent Application Serial No. 15/240,583, titled "TRAILER STABILIZER AND RESTRAINT" (hereinafter referred to as the "Applications"),

and, WHEREAS, Stabilock LLC ("Assignee"), having a business address of 112 Northeast Drive, Loveland, OH 45140, is desirous of acquiring Assignor's entire right, title and interest in and to said Applications, and the inventions therein disclosed, and any non-provisional U.S. and/or foreign patent applications, including International (PCT) applications, claiming the benefit thereof, and any letters patent that may issue thereon;

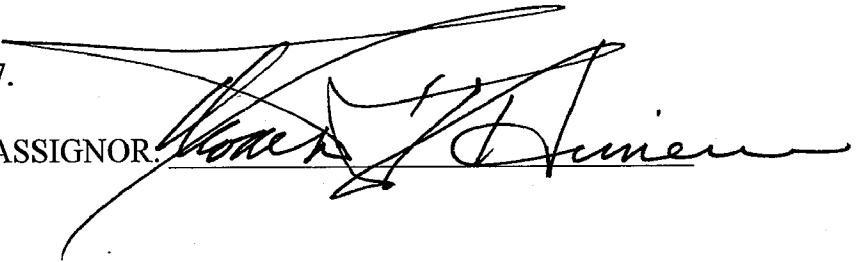

NOW, THEREFORE, in exchange for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby assign, sell, transfer and set over unto Assignee, its successors and assigns, any and all rights currently held by Assignor in and to said Applications and any national and/or regional phase applications, divisions, continuations and continuations-in-part thereof which have been or may be filed, and in and to any patents or reissues, renewals, reexaminations or extensions thereof which may be granted on said applications, and in and to any patent application which may be filed in countries foreign to the United States of America and any patents granted thereon, and all patent applications for which priority has been or is subsequently claimed to said Applications, all of said applications and patents to be held and enjoyed by Assignee, and its successors or assigns, to the full end of the term or terms for which said patents may be granted, as fully and entirely as the same would have been held by Assignor had this assignment not been made.

Assignor hereby authorizes and requests the Patent and Trademark Office officials in the United States of America and the Patent Office officials of any and all foreign countries to issue any and all of said patents, when granted, to Assignee or its designee.

Further, Assignor agrees to execute all papers and to give such lawful testimony and to perform such other lawful acts as Assignee, its successors and assigns require to enable it or them to procure patents based on said applications, or reissues, reexaminations or extensions thereof in the United States of America and/or in any foreign country without further expense to Assignee.

Executed this 18 day of April 2017.

ASSIGNOR.
