ASSIGNMENT

FOR VALUE RECEIVED, I

NAME Guillermo J. Tearney

address

Cambridge, MA

Citizenship: United States

hereby sell, assign, transfer and convey unto

The General Hospital Corporation

a Corporation of Massachusetts, having a place of business at 55 Fruit Street, Boston, MA 02114,

its successors, assigns and legal representatives (hereinafter called the "Assignee"), the entire right, title, and interest, for all countries, in and to certain inventions relating to

SIMPLE MONOLITHIC OPTICAL ELEMENT FOR FORWARD-VIEWING SPECTRALLY ENCODED ENDOSCOPY

(atty. docket no. 2901-20170)

and described in an application for Patent which was filed on February 10, 2017 as U.S. Patent Application Ser. No. 15/430,205 and filed on February 10, 2017 as international Application Ser. No. PCT/US17/17488 was executed by us, respectively, and which claims priority to U.S. Provisional Patent Application Ser. No. 62/294,628 which was filed on February 12, 2016, and to U.S. Provisional Patent Application Ser. No. 62/451,213 which was filed on January 27, 2017,

and to said application, and all divisions, renewals and continuations thereof, and all Letters Patent of the United States which may be granted, thereon, and all reissues and extensions thereof, and all applications for Letters Patent or other grants of protection of proprietary rights including, but not limited to, inventor's certificate, utility model, utility certificate, patent of importation, registration of patent and industrial design registration which may be filed, and which may be granted, upon said inventions in any countries or regions foreign to the United States, and all reissues, renewals and extensions thereof; and we hereby authorize and request the Commissioner for Patents and Trademarks of the United States, and all officials of countries or regions foreign to the United States having authority to do so, to issue all such Letters Patent or other grants of protection upon said inventions to the Assignee or to such nominees as it may designate.

AND I authorize and empower the Assignee or nominees to invoke and claim for any application for such Letters Patent or other grants of protection for said inventions filed by the Assignee or nominees, the benefit of the right of priority provided by the international Convention for the Protection of Industrial Property, as amended, or by a convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from me.

AND I hereby consent that a copy of this assignment shall be deemed a full and formal equivalent of any assignment, consent to file, or like document which may be required in any country or region for any purpose and more particularly in proof of the right of the Assignee or nominees to claim the aforesaid benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it.

AND I hereby covenant that I have the full right to convey the entire right, title, and interest herein assigned and that I have not executed and will not execute any agreement in conflict herewith.
