**ASSIGNMENT**

I, **Yadunandan Dar** have invented certain novel and useful inventions and discoveries in:

**THERMALLY INHIBITED FLOURS FOR IMPROVED RETORT EFFICIENCY**

For which an application for United States Letters Patent was filed on March 31, 2015 and assigned serial number 14/674,326 by the United States Patent Office,

do hereby sell, assign, transfer and set over to:

**Corn Products Development, Inc.**  
**5 Westbrook Corporate Center**  
**Westchester, Illinois 60154 USA,**

and its successors and assigns,

for good and valuable consideration, the receipt of which is hereby acknowledged,

the entire and exclusive right, title, and interest in and to the inventions described in the application for Letters Patent, to the application for Letters Patent, and to the Letters Patent to be obtained from the application for said invention, and to any and all reissues, divisions, extensions, or continuations of any Letters Patent, and to any Letters Patent that may be applied for or granted for said invention in foreign countries,

and the entire and exclusive right to have and claim the priority of invention in all foreign countries, pursuant to the provisions of the International Convention for the Protection of Industrial Property, based on said application, including all rights to any accrued damages arising out of infringement during the time preceding and following grant of the Letters Patent and execution or recording of this assignment; and

I/we hereby request the Director of the United States Patent and Trademark Office to issue said Letters Patent to said Corn Products Development, Inc., its successors and assigns as the assignee of our interest; and

I/we hereby agree to execute any further papers necessary to secure said assignee in its full and complete enjoyment of its right to said invention, application, Letters Patent, reissues, divisions, extensions and continuations.
