## NUNC PRO TUNC ASSIGNMENT

**FOR GOOD AND VALUABLE CONSIDERATION**, including at least one dollar (\$1.00), the receipt and sufficiency of which are hereby acknowledged, **Kurz-Kasch, Inc.**, a Delaware corporation, 199 East State Street, Newcomerstown, OH 43832 (the "*Assignor*"), hereby sells, assigns and transfers to **Orbit Irrigation Products, Inc.**, a Utah corporation, 845 North Overland Road, North Salt Lake, UT 84054 and its successors, assigns, and legal representatives (the "*Assignee*"), *nunc pro tunc*, effective as of December 1, 2011:

The entire right, title and interest in all of the letters patents identified in Exhibit A attached hereto (the "Patent(s)") together with ownership of and the right to control prosecution of all application(s) upon which the Patent(s) are based and all patent application(s) identified in Exhibit A (collectively, the "Application(s)") and the right to recover for past, present, and future infringements of the Patent(s) with the right to sue in the Assignee's own name (including the right to take over and continue any and all existing suits) and collect damages therefor.

The Assignor agrees to execute and deliver at the request of the Assignee all papers, instruments, and assignments, and to perform other reasonable acts the Assignee may request in order to vest all right, title, and interest in and to the Patent(s) and Application(s) in the Assignee and/or to provide evidence to support any of the foregoing in the event such evidence is deemed necessary by the Assignee, to the extent such evidence is in the possession or control of the Assignor.

The Assignor hereby authorizes and requests the United States Commissioner of Patents and Trademarks to issue or transfer any and all Patent(s) and Application(s) to the Assignee as the owner of the entire right, title and interest in and to all of the Patent(s) and Application(s), for the sole use and benefit of the Assignee, its successors, assigns and legal representatives.

The Assignor hereby agrees to execute all lawful papers and to perform all other lawful acts which the Assignee may request of the Assignor to make this Assignment fully effective, including:

Prompt execution of all original, divisional, substitute, reissue, reexamination, continuation, continuation-in-part and other United States and foreign patent applications based on the invention(s) and improvement(s) disclosed in the Application(s), and all lawful documents requested by the Assignee to further the prosecution of any of the Application(s).

Cooperation to the best of the Assignor's ability in the execution of all lawful documents and the production of evidence and providing testimony in connection with nullification, reissue, reexamination, extension, infringement or validity proceedings involving said Patent(s) and Application(s) and in connection with applications for certificates of correction for said Patent(s).

This assignment and agreement shall be binding upon the heirs and legal representatives of the Assignor. The signatory below hereby affirms that he or she has proper authority from the Assignor to execute this document.
