PATENT AND PATENT APPLICATION ASSIGNMENT

THIS PATENT AND PATENT APPLICATION ASSIGNMENT (hereinafter "**Assignment**") is made effective as of 9-8-2014 from Clinton Merle Bunch, inventor, of Morgan Hill, California (hereinafter "**Assignor**") to Dropout Cabinet Fixtures LLC, a California limited liability company (hereinafter "**Assignee**"), with offices at 16860 Joleen Way #3 Morgan Hill, California 95037, collectively "Parties."

WHEREAS, Assignor is the owner of subject matter disclosed in a provisional patent application filed in the United States Patent and Trademark Office ("USPTO"), Serial No. 61/685,915, with a filing date of March 27, 2012; a non-provisional patent application claiming priority to Serial No. 61/685,915, given Serial No. 13/590,387, with a filing date of August 21, 2012, now United States Patent No. 8,777,338; a non-provisional patent application claiming priority to Serial Nos. 61/685,915 and 13/590,387, given Serial No. 14/291,414; a Patent Cooperation Treaty ("PCT") patent application claiming priority to Serial No. 61/685,915, filed in World Intellectual Property Organization ("WIPO"), given Serial No. PCT/US13/33908, with a filing date of March 26, 2013 (hereinafter the "**Applications**"), the complete description of which are attached hereto as Exhibit "A" and incorporated by reference herein.

WHEREAS, Assignor desires to convey, transfer, assign, deliver, and contribute to ASSIGNEE all of its right, title, and interest in and to the Applications as well as all continuing applications, other international applications and continuing application equivalents resulting there from.

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, both parties agree as follows:

1. Transfer of Applications. Assignor hereby conveys, transfers, assigns, delivers, and contributes to Assignee all of Assignor's right, title, and interest of whatever kind in and to the Applications, together with all income, royalties, and damages hereafter due or payable to Assignor with respect to the Applications, including without limitation, damages, and payments for past or future infringements and misappropriations of the Applications; and all rights to sue for past, present and future infringements or misappropriations of the Applications.

Assignor further covenants that it will execute all documents, papers, forms and authorizations and take all other actions that may be necessary for securing, completing, or vesting in Assignee full right, title, and interest in the Applications.

2. Representations and Warranties. The Assignor hereby represents as follows: The Assignor has the right, power and authority to enter into this agreement; the Assignor has the exclusive ownership of all right title and interest in the Applications. The Applications are free of any liens, security interests, encumbrances, assignments or licenses. The Assignor shall not execute any writing or do any act whatsoever conflicting with this Assignment. Once this Assignment has been duly executed by both parties, it will constitute a legal, valid and binding agreement of the Assignor enforceable against it in accordance with its terms upon its execution; and the Assignor will not engage in any action that will be detrimental to the validity of the

Applications (Patents when granted) after the completion of this Assignment. Assignor further warrants that the subject matter disclosed in the Applications does not infringe any third party patents or other intellectual property.

3. Authorization and Request. Assignor authorizes and requests that the Commissioner of Patents and Trademarks, or foreign equivalent thereof, to record this Assignment.

4. Fees and Costs. Each Party shall be responsible for its own costs, attorneys' fees, and all other expenses in connection with the matters referred to in this Assignment, except as otherwise set forth herein. In the event of a breach of any term or provision of this Assignment, and/or the filing of a legal or arbitration proceeding in connection with the enforcement or interpretation of any provision of this Assignment, the prevailing party shall, in addition to any other remedies available to such Party, be entitled to reasonable attorneys' fees and costs, including reasonable expert witness fees and costs, from the losing party.

5. Effective Date and Term. This Assignment has been duly executed by authorized representatives of both parties as of the date first set forth above and shall be effective simultaneously.

6. Dispute Resolution. Any controversy or claim arising out of or relating to this Assignment or the breach thereof shall be settled by arbitration administered by the American Arbitration Association ("AAA") under its Commercial Arbitration Rules, and judgment on the award rendered by the arbitrator shall be binding and may be entered in any court having jurisdiction thereof. Such arbitration shall be filed and conducted at the office of the AAA closest to the Company's head office where this Agreement was signed, and shall be conducted in English by one arbitrator mutually acceptable to the parties selected in accordance with AAA Rules.

7. Indemnification. Assignor shall defend, indemnify and hold Assignee harmless from and against any third party claim of infringement relating to the operation or the use of the subject matter disclosed in the Applications. Assignor agrees to pay all losses, liabilities, damages, costs and expenses (including reasonable attorneys' fees) incurred by Assignee in connection with any claim of infringement. In the event an injunction is sought or obtained against Assignee's use of the subject matter disclosed in the Applications as a result of any such infringement claim, Assignor must and at its own expense (i) procure for Assignee the right to continue using the subject matter disclosed in the Application or (ii) provide Assignee with a modified, non-infringing version of the subject matter disclosed in the Applications, provided the modifications do not materially affect the functionality or performance of the subject matter or Assignee's rights under this Agreement.

8. Applicable Law. The validity, interpretation and implementation of this Assignment shall be governed by the laws of the State of California.

9. Amendment and Supplement. Any amendment and supplement of this Assignment shall come into force only after a written agreement is signed by both Parties. The amendment

and supplement duly executed by both Parties shall be part of this Assignment and shall have the same legal effect as this Assignment.

10. Severability. Any provision of this Assignment which is invalid or unenforceable in any jurisdiction shall, as to that jurisdiction, be ineffective to the extent of such invalidity or unenforceability, without affecting in any way the remaining provisions hereof in such jurisdiction or rendering that any other provision of this Assignment invalid or unenforceable in any other jurisdiction.

11. Construction. The Parties have participated jointly in the negotiation and drafting of this Assignment. In the event an ambiguity or question of intent or interpretation arises, this Assignment shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Assignment.

12. Voluntary Execution of Assignment. This Assignment is executed voluntarily and without any duress or undue influence on the part of or on behalf of any of the Parties hereto, with the full intent of releasing all claims. The Parties acknowledge that:

- a. They have read this Assignment;
- b. They have been represented in the preparation, negotiation, and execution of this Assignment by legal counsel of their own choice or that they have voluntarily declined to seek such counsel;
- c. They understand the terms and consequences of this Assignment and of the releases it contains; and
- d. They are fully aware of the legal and binding effect of this Assignment.

13. Fees and Costs. Each Party shall be responsible for its own costs, attorneys' fees, and all other expenses in connection with the matters referred to in this Assignment, except as otherwise set forth herein. In the event of a breach of any term or provision of this Assignment, and/or the filing of a legal or arbitration proceeding in connection with the enforcement or interpretation of any provision of this Assignment, the prevailing party shall, in addition to any other remedies available to such Party, be entitled to reasonable attorneys' fees and costs, including reasonable expert witness fees and costs, from the losing party.

14. Counterpart. This Assignment may be signed by the parties in counterpart as if executed in a single unitary document.

INSTRUCTIONS FOR COMPLETING THIS FORM

Any acknowledgment completed in California must contain verbiage exactly as appears above in the notary section or a separate acknowledgment form must be properly completed and attached to that document. The only exception is if a document is to be recorded outside of California. In such instances, any alternative acknowledgment verbiage as may be printed on such a document so long as the verbiage does not require the notary to do something that is illegal for a notary in California (i.e. certifying the authorized capacity of the signer). Please check the document carefully for proper notarial wording and attach this form if required.

- State and County information must be the State and County where the document signer(s) personally appeared before the notary public for acknowledgment.
- Date of notarization must be the date that the signer(s) personally appeared which must also be the same date the acknowledgment is completed.
- The notary public must print his or her name as it appears within his or her commission followed by a comma and then your title (notary public).
- Print the name(s) of document signer(s) who personally appear at the time of notarization.
- Indicate the correct singular or plural forms by crossing off incorrect forms (i.e. ~~he/she/they~~ - is /are) or circling the correct forms. Failure to correctly indicate this information may lead to rejection of document recording.
- The notary seal impression must be clear and photographically reproducible. Impression must not cover text or lines. If seal impression smudges, re-seal if a sufficient area permits, otherwise complete a different acknowledgment form.
- Signature of the notary public must match the signature on file with the office of the county clerk.
 - Additional information is not required but could help to ensure this acknowledgment is not misused or attached to a different document.
 - Indicate title or type of attached document, number of pages and date.
 - Indicate the capacity claimed by the signer. If the claimed capacity is a corporate officer, indicate the title (i.e. CEO, CFO, Secretary).
- Securely attach this document to the signed document
