Title: DINING TABLE
Filed: December 27, 2016
US Patent Application No.: 29589069

AND WHEREAS, the following legal entity (hereafter, together with any successors, legal representatives or assigns thereof, called "**Assignee**"), wants to acquire the entire right, title and interest in and to said improvements and application and any patents which may be granted thereon:

Assignee: J & R Household Co., Ltd.
Address: Room 428, Building 2, Zone A No. 88 Delixi Road, Jiading District
Shanghai 201802 China

NOW, THEREFORE, for US\$1.00 or its equivalent and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Inventor has sold, assigned, transferred and set over, and do hereby sell, assign, transfer and set over to Assignee his entire right, title and interest in and to said improvements and said application(s), including: all nonprovisional patent applications, divisions, substitutions, continuations and

continuations-in-part of said application(s); all priority rights under the International Convention for the Protection of Industrial Property for every member country; all applications for patents (including related rights such as utility-model registrations, inventor's certificates, and the like) heretofore or hereafter filed for said improvements and/or claiming priority to said application(s) in any countries; and all patents (including all extensions, renewals, reexaminations, and reissues thereof) granted for said improvements in any country. The Inventor hereby authorizes and requests the officials whose duty it is to issue patents on applications as aforesaid, to issue all patents for said improvements to Assignee in accordance with the terms of this assignment.

The Inventor hereby covenants that he has the full right to convey the entire interest herein assigned, and that he has not executed, and will not execute, an agreement in conflict herewith.

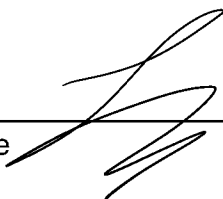

The Inventor hereby further covenants and agrees that he will communicate to Assignee any facts known to them respecting said improvements, and testify in any legal proceeding, sign all lawful papers, execute all nonprovisional, divisional, continuation, continuation-in-part, substitute and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee to obtain and enforce proper patent protection for said improvements in all countries.

IN WITNESS WHEREOF, the parties hereto have executed this agreement.

I declare (or certify, verify, or state) under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.
