ASSIGNMENT

WHEREAS, **Rehrig Pacific Company**, having an address of **4010 East 26th Street Los Angeles, CA 90058**, (hereinafter referred to as Assignor), has invented new and useful improvements described and claimed in the patents and patent applications listed on Exhibit A.

AND WHEREAS, **Rehrig Healthcare Systems LLC** (hereinafter referred to as Assignee), of **3002 Bellingham Drive Atlanta, GA 30345**, is desirous of acquiring the entire right, title and interest in and to said inventions, said patent applications and said patents, and in and to any patents to be obtained therefor and thereon, including any right to recover past damages:

NOW, THEREFORE, be it known by all whom it may concern, that for and in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, the Assignor has assigned, sold and set over, and by these presents assigns, sells and sets over unto the Assignee, its successors, legal representatives and assigns, for the territory of all countries throughout the world, the entire right, title and interest in and to:

the applications and patents listed in Exhibit A,

the inventions described and/or claimed in the applications and patents listed in Exhibit A and the right to file and prosecute patent applications corresponding to said inventions in patent offices throughout the world,

the right to claim the priority date of said patent applications and patents listed in Exhibit A as well as any patent applications to which the patent applications and patents claim priority,

any and all patents in all countries throughout the world which may be granted on any applications listed in Exhibit A,

the right to collect any past damages for infringement of any of the applications and patents listed in Exhibit A,

the same to be held and enjoyed by the Assignee, as fully and entirely as the same would have been held by the Assignor had this Assignment and sale not been made.

AND the Assignor hereby covenants and agrees that the Assignor will at any time upon the request and at the expense of the Assignee execute and deliver any and all papers and do all lawful acts that may be necessary or desirable to perfect the title to said inventions and to obtain Letters Patent therefor, and the Assignor hereby authorizes and requests the Commissioner of Patents to issue said Letters Patent to the said Assignee in accordance with this Agreement.

Assignee hereby grants to Assignor a fully paid-up, irrevocable, non-transferable, royalty-free, nonexclusive license to the patent applications and patents listed in Exhibit A, without the right to sublicense.
