ASSIGNMENT AND INVENTOR DECLARATION  
IN ACCORDANCE WITH 37 C.F.R. § 1.63(e)

Inventor(s): (1) Daniel Mark Sorg

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the undersigned inventors (collectively the "ASSIGNORS") do hereby assign, convey, and transfer to

Assignee: GREE-SEE Technology, LLC  
P.O. Box 630  
Johnson City, TN 37605-0630  
United States of America

(hereinafter referred to as the "ASSIGNEE") its successors, assigns, and legal representatives, the entire right, title and interest of Assignor including, but not limited to, any and all rights of action for infringement, including past infringement, in the United States and throughout the world, in the invention and to nonprovisional, divisional, continuation, or continuation-in-part applications based thereon, and any and all reexamination or reissued patents thereof which have been or may be issued in the United States or anywhere in the world and all convention and treaty rights throughout the world in and to all such subject matter that may be granted for the invention known as:

Title: Fluid Dispenser  
Application No.: 15/481,025  
Filing Date: April 6, 2017  
Docket No.: 08.01211.0264

Assignors further covenant with Assignee, its successors, assigns and legal representatives and represents and warrant that no assignment, grant, mortgage, or pledge affecting the rights and properties herein conveyed have been made by Assignors or any of them to any person or entity other than Assignee, and that the full right to assign, transfer, and convey the same as herein expressed is possessed by Assignors. Assignors also pledge and agree to do all acts and execute all other documents reasonably requested by Assignee in order to insure, confirm, or establish that Assignee owns all of Assignors' right, title, and interest in and to the subject matter (including all inventions and improvements) disclosed in the invention and that any and all other interests and rights appurtenant thereto owned by Assignors including, but not limited to, all such rights and interests referred to herein are owned and possessed by Assignee; and

Assignors grant the firm Robinson IP Law, PLLC the power to insert on this assignment any further identification including, but not limited to, the application serial number and filing date of the above-identified Application when known.

**Declaration:**

As an above-named inventor, I hereby declare that:

I believe I am the original inventor or an original joint inventor of a claimed invention in the above-identified application for which this declaration is being submitted.

The application was made or authorized to be made by me.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

Date: 3/16/2017
