## WORLDWIDE PATENT ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency whereof is hereby acknowledged, SCOTT FRYBARGER, a citizen of the United States having an address at 1008 Harrison Street, Hollywood, Florida 33019, hereinafter referred to as Assignor, hereby sells, assigns, transfers, and sets over to BASE HIT INNOVATIONS, LLC, a Florida limited liability company, having its principal place of business at 1880 N. Congress Avenue, Suite 215, Boynton Beach, Florida 33426, hereinafter referred to as Assignee, its successors, assigns, and legal representatives, the full, exclusive, and entire right, title and interest, in and for the United States and all foreign countries, in and to any and all inventions that are disclosed in the patents and patent application described in Exhibit A, attached hereto and incorporated by reference herein; and in and to said patents and any and all non-provisional, divisional, continuing, substitute, renewal, reissue, re-examination, extensions, certificates, international, revivals, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said inventions or to which the benefits of the priority date of said patents is or will be claimed; and in and to all original, and reissued patents which have been or shall be filed in the United States and all foreign countries on said inventions including all rights under the International Convention for the Protection of Industrial Property to be held and enjoyed by Assignee for its own use and the use of its successors, legal representatives and assigns to the full term or terms for which Letters Patent or Patents may be granted, as fully and entirely as the same would have been held and enjoyed by the Assignor, had the assignment not been made;

Assignor agrees that Assignee may apply for and receive Letters Patent in this or any other countries for said inventions in its own name;

Assignor agrees that, at the request of the Assignee and, without charge to but at the expense of said Assignee, Assignor will carry out in good faith the intent and purpose of this Assignment; execute forms and documents for all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said inventions; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to Assignee all facts known to the undersigned relating to said inventions

and the history thereof; and generally do everything possible which Assignee shall consider desirable for aiding in securing and mainlining proper patent protection for said inventions and for vesting title to said inventions, and all applications for patents and all patents on inventions in said Assignee;

Assignor covenants with Assignee that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned; AND

Assignor hereby requests the Commissioner of Patents to issue any Letters Patent of the United States to Assignee as the Assignee of said inventions and Letters Patent to be issued thereon for the sole use of Assignee, its successors, legal representatives and assigns.

IN WITNESS WHEREOF, ASSIGNOR has duly executed and delivered this ASSIGNMENT, as of the day and year first above written.
