Declaration/Assignment/Power of Attorney

U.S.A.

U.S. Patent and Trademark Office

TITLE: SMARTWATCH DEVICE AND METHOD

DECLARATION: As the below named inventor, I hereby declare that:

This declaration is directed to the attached application, or United States application or PCT international application number \_\_\_\_\_ filed on \_\_\_\_\_.

The above-identified application was made or authorized to be made by me.

I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

POWER OF ATTORNEY: I hereby appoint Practitioner(s) associated with the following Customer Number as my attorney(s) or agent(s) to prosecute the application identified above, and to transact all business in the United States Patent and Trademark Office connected therewith: 00432

Please recognize or change the correspondence address for the above-identified application to the address associated with the above-mentioned Customer Number.

ASSIGNMENT: In consideration of one dollar and other good and valuable consideration, receipt of which is hereby acknowledged, I hereby sell, assign and set over the entire right, title and interest for the United States to [name of assignee (company)]: SELF DOCUMENTING EMR of [address of assignee (company)]: 12848 DUNNINGS HWY, SUITE 1, CLAYSBURG, PA 16625 as assignee(s) to the invention in [title of invention]: SMARTWATCH DEVICE AND METHOD for which an application for United States Letters Patent has been executed by me on the date indicated below, and all original and reissued patents granted therefor, and all divisions and continuations thereof, including the subject-matter of any and all claims which may be obtained in every such patent, and authorize and request the Commissioner of Patents and Trademarks of the United States, to issue the said letters patent to said assignee, said assignee's successors, assigns, nominees or other legal representatives, as assignee of the entire interest, and covenant that I have not executed and will not execute any agreement in conflict herewith, and agree that I will communicate to said assignee, said assignee's successor, assigns, nominees

or other legal representatives, all facts known to me respecting said invention, whenever requested, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and do all lawful acts requisite for the application for such divisional, continuing or reissue applications, or the procuring thereof, and that if and when said assignee, said assignee's successors, assigns, nominees or other legal representatives desire to file a disclaimer relating thereof, I will, upon request, sign all lawful papers requisite for the filing of such disclaimer, and I further covenant and agree that I will, at any time upon request, do everything legally possible to aid said assignee, said assignee's successors, assigns, nominees or other legal representatives, to testify in any interferences or other legal proceedings in which any of said applications or patents may become involved, the expenses incident to said applications to be borne and paid by said assignee, said assignee's successors, assigns, nominees or other legal representatives.
