**ASSIGNMENT AGREEMENT**

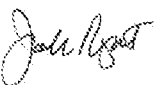

Whereas, I, **John Joseph Rozint** of 19066 Chandon Lane, Huntington Beach, CA 92648, hereinafter referred to as "assignor," have invented certain new and useful improvements of Methods and Systems for Use of Diagnostic Data in Automotive Collision Repair and Automotive Claims Processing for which an application for a United States Patent was filed on April, 19, 2016, having Application Number 62324826 ("Patent Application"); and whereas, **Rozint Enterprises, Inc.** of 19066 Chandon Lane, Huntington Beach, CA 92648, hereinafter referred to "assignee" is desirous of acquiring the entire right, title and interest in the same, including all patent applications and patents issuing from or claiming priority to the Patent Application, including all reissues, divisionals, continuations, continuations-in-part, revisions, reexaminations, extensions, and counterparts patent applications, whether foreign or domestic, claiming priority to or based on the Patent Application, together with all patents issuing therefrom.

Now, therefore, in consideration of the sum of one dollar (\$1), the receipt whereof is acknowledged, and other good and valuable consideration, I, the assignor, hereby do sell, assign and transfer unto said assignee the entire right, title and interest to the said invention and Patent Application, including all patent applications and patents issuing from or claiming priority to the Patent Application, including all reissues, divisionals, continuations, continuations-in-part, revisions, reexaminations, extensions, and counterparts patent applications, whether foreign or domestic, claiming priority to or based on the Patent Application, together with all patents issuing therefrom.
