If any Contract, agreement, license or permit (the “**Special Assets**”) may not be hypothecated by its provisions, by virtue of Applicable Law or without the consent of a third party, the hypothec created hereby shall be under the suspensive condition of such consent being obtained or such prohibition being waived or removed. Upon the occurrence and during the continuance of an Event of Default, the Lender may, at its discretion, withdraw the authorization granted above, by giving notice as prescribed by law, whereupon the Lender shall immediately be entitled to collect all Claims referred to in such notice. The debtors under such Claims shall comply with the notice received from the Lender and thereafter shall pay all Claims to the Lender without inquiry into the state of accounts between the Lender and the Grantor.

Section 3.3 Accounts and Records

Should the Lender serve a notice withdrawing the authorization granted to the Grantor to collect the Claims as provided for above, the Grantor hereby agrees that all accounts and records maintained by the Lender with respect to any such Claims received and their application by the Lender shall be *prima facie* conclusive and binding unless proven to be wrong or incorrect.

Section 3.4 Powers in Connection with Collection of Claims

Without limiting or otherwise restricting the Lender's rights as set forth herein or at law, upon the occurrence and during the continuance of an Event of Default, the Lender is irrevocably authorized in connection with the collection of Claims, as the Grantor's agent and mandatary, to:

- (a) grant delays, take or abandon securities;
- (b) grant releases and discharges, whole and partial, with or without consideration;
- (c) endorse all cheques, drafts, notes and other negotiable instruments issued to the order of the Grantor in payment of Claims;
- (d) take conservatory measures and appropriate proceedings to obtain payment of Claims;

The Lender shall not, however, be liable for any damages or prejudice which may result from its fault, other than resulting from its gross or intentional fault.

Section 3.5 Collection of Claims by Grantor

If, despite the withdrawal of authorization by the Lender in accordance with the terms hereof, any Claims are paid to the Grantor, the Grantor shall be deemed to have received such amounts as agent and mandatary for the account and on behalf of the Lender and shall pay all such amounts to the Lender forthwith upon receipt.

Section 3.6 Further Assurances

As and when requested by the Lender, the Grantor shall remit to the Lender all documents which are useful or necessary for the purposes set forth in this Article 3, shall sign any useful or necessary documents without delay, and, as the case may be, shall collaborate in the collection by the Lender of the Claims.

Section 3.7 Obligation of the Grantor to Provide Information relating to the Claims

Upon demand of the Lender, the Grantor undertakes to provide the Lender with a list of all its debtors and all its books, accounts, letters, invoices, papers, contracts, negotiable instruments, title documents, liens and other documents attesting to the existence of the whole or any part of the Claims or relating thereto. The Grantor is also bound to assist the Lender and provide it with all information which the Lender may find useful in the collection of the Claims. The obligations contemplated in the last sentence of this Section 3.7 only arise following the occurrence of an Event of Default which is continuing.

Section 3.8 Secured Claims

The Grantor undertakes to notify the Lender forthwith of any Claim which now is or may at any time hereafter become vested in the Grantor and which is or becomes secured by a hypothec granted by a third Person in favour of the Grantor and to provide the Lender with copies of the agreements or other documents evidencing such hypothec.

Section 3.9 Waiver

The Grantor hereby waives any obligation the Lender may have to inform the Grantor of any irregularity in the payment of any Claims.

Section 3.10 Financial Administration Act

Where any of the Claims are subject to the provisions of the *Financial Administration Act* (Canada), the Grantor hereby sells, assigns and transfers the same absolutely to the Lender so that, upon a withdrawal of authorization as referred to in Section 3.2 hereof, the Lender shall be free to complete the formalities required to make such assignment fully enforceable.

ARTICLE 4
PROVISIONS APPLICABLE TO THE HYPOTHEC ON SECURITIES

Section 4.1 Representations and Warranties Regarding Securities

The Grantor hereby represents and warrants to and in favour of the Lender that all Securities currently held by the Grantor are “securities” within the meaning and for the purposes of the STA.

Section 4.2 Delivery of Certificated Securities

All certificates or instruments representing or evidencing any Securities (other than certificate number B-1 representing the 1,656,780 Class B Shares held by the Grantor in the share capital of B-Temia Inc.) shall, immediately upon the Grantor acquiring, obtaining or becoming the holder of such Securities, be delivered to and held by the Lender pursuant hereto, its nominee or agent, and shall be in suitable form for transfer by delivery, or shall be accompanied by duly executed undated instruments of transfer or assignment in blank, all in form and substance satisfactory to the Lender.

Section 4.3 Delivery of Uncertificated Securities

To the extent that any of the Securities are “uncertificated securities” within the meaning of the STA and registered in the name of the Grantor or its nominee or agent, the Grantor shall immediately (i) cause the Lender and the issuer of such uncertificated Securities to enter into a control agreement (as defined in the STA) as the Lender reasonably requires to ensure that the Lender has control (within the meaning of the STA) of such uncertificated securities, or (ii) cause the issuer of such uncertificated Securities to register the uncertificated Securities in the name of the Lender or its nominee or agent.

Section 4.4 Delivery of Security Entitlements

If any Securities, whether certificated or uncertificated, or other financial asset (as such term is defined in the STA) now or hereafter acquired by the Grantor are held by the Grantor or its nominee through a securities intermediary in a securities account, the Grantor shall take all action reasonably necessary to cause such intermediary to enter into a control agreement with the Lender immediately upon the Grantor acquiring an interest in any security entitlements in financial assets held in a securities account, in form and substance satisfactory to the Lender, pursuant to which the securities intermediary will agree, among other things, to comply with entitlement orders originated by the Lender or its nominee without further consent by the Grantor or any other Person.

Section 4.5 Distributions and Other Matters

The Lender hereby authorizes the Grantor to manage and collect the dividends, cash, options, warrants, rights, instruments, distributions, returns of capital or principal, income, interest, profits and other property (debt or equity), proceeds, fruits and revenues (the “**Distributions**”) from the Securities comprising the Charged Property, save and except as otherwise provided for under the terms of the Credit Agreement, the terms hereof or any other written agreement between the Grantor and the Lender. Such authorization may nevertheless be withdrawn upon the occurrence and during the continuance of an Event of Default, whereupon the Lender shall be free to collect such Distributions and apply such sums (net of all collection costs) in such manner as the Lender shall deem appropriate, subject to the terms of the Credit Agreement, without any interference or consent on the part of the Grantor and without being bound (to the fullest extent permitted by law) by the rules respecting the administration of the property of others.

Section 4.6 Collection of Distributions by the Grantor

Any amount received by the Grantor with respect to the said Distributions after a withdrawal of authorization as aforesaid shall be deemed so received as mandatary or depository of the Lender and shall forthwith be remitted to the Lender without demand or notice, the whole without prejudice to the recourses of the Lender against the third party debtors.

Section 4.7 Voting - Interpretation

As used in this Article 4, “voting rights” includes the right to attend and vote at any meeting, to sign a resolution in writing in lieu of a meeting or of a resolution passed at a meeting and the right to nominate and direct a proxy.

Section 4.8 The Grantor to exercise voting rights, etc.

Until the occurrence of an Event of Default which is continuing, and subject to the terms of this Agreement and any other Loan Document, the Grantor may:

- (a) exercise any and all voting rights and all rights of conversion, exchange or retraction or other similar rights with respect to any of the Securities, provided that any property arising from any such conversion, exchange or retraction shall form part of the Charged Property; and
- (b) receive any and all notices or other communications delivered in respect of the Securities.

Section 4.9 Lender to exercise voting rights

The Grantor hereby grants to the Lender an irrevocable proxy to exercise all voting rights and corporate rights relating to the Securities which proxy shall be effective, at the discretion of the Lender, upon the occurrence and during the continuance of an Event of Default. After the occurrence and during the continuance of an Event of Default and upon request of the Lender, the Grantor hereby agrees to deliver to the Lender such further evidence of such irrevocable

proxy or such further irrevocable proxies to vote the Securities as the Lender may request. In addition, after the occurrence and during the continuance of an Event of Default, the Grantor agrees to deliver to the Lender copy of any and all notices and other communications delivered in respect of the Securities.

Section 4.10 Rights and Duties of the Lender

The Lender may, at its sole and unfettered discretion, require the Grantor to do all such acts and things that are necessary or desirable for the Lender, the Lender's agent or a nominee of the Lender to receive physical delivery or control, as applicable, of the Securities, including providing any consent of the Grantor as a registered holder of the Securities or an entitlement holder, as the case may be, necessary or desirable for such control to be obtained by the Lender. Notwithstanding any such physical delivery or control, prior to the occurrence of an Event of Default which is continuing, Section 4.8 shall continue to apply and upon such physical delivery or control, the Lender shall provide the Grantor with such proxies and other written authorizations as may reasonably be requested by the Grantor to enable the Grantor to exercise the rights and take the actions described in Section 4.8.

Upon the occurrence of an Event of Default which is continuing and following notice from the Lender, all of the Grantor's rights pursuant to Section 4.5 and Section 4.8 shall cease and the Lender may enforce any of the Grantor's rights with respect to the Securities. Upon an Event of Default which is continuing, the Grantor shall and shall be deemed to hold all Proceeds and Securities which is not under the control of the Lender as mandatary or depositary, separate and apart from other property and assets of the Grantor, for the benefit of the Lender until all Obligations owing by the Grantor to the Lender have been paid in full, and shall forthwith transfer control of such Proceeds and Securities to the Lender, or its nominee or agent, as the Lender may direct. Subject to Applicable Laws, the Lender and its nominee or agent shall act with the same prudence and diligence in the custody and preservation of the Securities as it would with its own property. The Lender or its agent or nominee may take no steps to defend or preserve the Grantor's rights against the claims or demands of others.

The Lender hereby agrees with the Grantor to the waiver of its rights under Article 2714.6 of the *Civil Code of Québec*.

**ARTICLE 5

- (b) except as disclosed in Schedule "B", the Securities which constitute securities of the Issuers represent all of the issued and outstanding securities of the Issuers held by the Grantor and all of the warrants and options related thereto as of the date of this Agreement;
- (c) all of the Securities listed in Schedule "B", if any, have been duly and validly issued, are fully paid and non-assessable and all options to purchase, warrants or similar rights related thereto are in full force and effect;
- (d) other than Permitted Liens, it has not ceded, assigned, transferred or set over its rights, interest and benefits in the Securities listed in Schedule "B", if any, to any Person nor has it performed any act or executed any other instrument which might prevent the Lender from exercising its rights under this Agreement in respect of the hypothecated Securities or which would limit the Lender in any such rights;
- (e) none of the rights of the Grantor arising as the owner and holder of record of the Securities have been surrendered, cancelled or terminated;
- (f) there is no default or dispute existing in respect of the Securities;
- (g) except as disclosed in Schedule "B", all of the Securities are certificated and the partnership agreement, articles of association or other constating documents, as applicable, of each Issuer that is a partnership or limited liability company expressly states that the Securities thereof are "securities" for the purposes of the STA; and

- (h) the Grantor has not given its consent to any agreement whereby any of the Issuers agree to comply with instructions that are originated by any Person other than the Grantor in respect of any Securities that constitute uncertificated securities, other than any such consents given by the Grantor relating to agreements for instructions to be originated by the Lender.

Section 5.5 Claims Secured by Registered Hypothec

The Grantor has no Claim which is secured by registered hypothec, other than those indicated in Schedule "C" hereof.

Section 5.6 Accounts with Financial Intermediaries

The Grantor hereby represents and warrants to and in favour of the Lender that the Securities Accounts are enforceable in accordance with their terms against the applicable securities intermediary without any hypothec or other Lien held by such securities intermediary or right of set-off, netting or consolidation other than for normal charges applicable to the maintenance of such accounts and brokerage fees incurred in the ordinary course of business.

All representations and warranties of the Grantor made in this Agreement or in any certificate or other document delivered by or on behalf of the Grantor to or for the benefit of the Lender are material, shall survive and shall not merge upon the execution and delivery of this Agreement and shall continue in full force and effect. The Lender shall be deemed to have relied upon such representations and warranties notwithstanding any investigation made or lack thereof by or on behalf of the Lender at any time.

**ARTICLE 6
COVENANTS**

The Grantor hereby covenants:

Section 6.1 Information

To give notice in writing to the Lender:

- (a) of any change whatsoever in any representations and warranties hereinabove mentioned in Article 5;
- (b) of any material claim or Lien made or asserted against any of the Charged Property other than Permitted Liens;
- (c) of all loss or damage to or loss of possession of all or any material part of the Charged Property other than by disposition in accordance with the terms of the Credit Agreement;
- (d) of the acquisition of any immovable property by the Grantor; and

- (e) of any failure of any security intermediary in respect of a Securities Account in payment or performance of obligations due to the Grantor which may affect the Charged Property.

Section 6.2 Delivery of Documents

To deliver to the Lender as soon as practicable upon request:

- (a) any Documents of Title and certificated Securities of the Guarantors, and upon such delivery, where applicable, duly endorse the same for transfer in blank or as the Lender may reasonably direct;
- (b) such information concerning the Charged Property as the Lender may reasonably request;
- (c) all policies and certificates of insurance relating to the Charged Property; and
- (d) such information concerning the Charged Property, the Grantor and the Grantor's business and affairs as the Lender may request acting reasonably.

Section 6.3 Future Immovable Property

In the event that the Grantor acquires ownership of any immovable property situated in the Province of Québec, the Grantor shall cause the hypothec created hereunder to be registered against such immovable property in the manner prescribed by Article 2949 of the *Civil Code of Québec*.

Section 6.4 Location of Charged Property

The Grantor shall not change the location of the corporeal Charged Property to a location outside of the Province of Québec where no valid security attaches in favour of the Lender in respect of such corporeal Charged Property, other than Inventory sold in the ordinary course of business without (a) providing the Lender with 20 days prior notice thereof, and (b) registering and executing such further or other documents and taking such further and other actions as may be necessary to ensure the continued validity and publication of the hypothec created hereunder under the Applicable Laws, in each case, as agreed to by counsel to the Lender.

Section 6.5 Additional Documents

To execute all deeds and documents and do all things which in the opinion of the Lender are necessary or advisable for giving the Lender a valid hypothec in the Charged Property (including, subject to Section 6.3 above, a notice given in virtue of Article 2949 of the *Civil Code of Québec* where the Grantor's signature is necessary) in order that such security serves the purpose for which it has been granted and for conferring upon the Lender, with respect to the Charged Property, all powers and rights provided for by this Agreement and by the Applicable Laws.

ARTICLE 7 REMEDIES

Section 7.1 Enforcement

Upon the occurrence and continuance of an Event of Default, the security created under this Agreement shall become enforceable and the Lender shall, in addition to any other rights, recourses and remedies it has under this Agreement and otherwise at law, forthwith be entitled to exercise any and all hypothecary rights prescribed by the *Civil Code of Québec*.

Section 7.2 Agent

Upon the occurrence and continuance of an Event of Default, the Lender may appoint any one or more agents who shall be entitled to perform the powers vested in the Lender pursuant to this Agreement and at law. Upon the appointment of an agent or agents from time to time, the following provisions shall apply:

- (a) every such agent shall be the irrevocable agent and mandatary of the Grantor for the exercise of the rights, recourses and remedies available to the Lender and which are performed by such agent;
- (b) every such agent, in carrying out the duties delegated to it by the Lender, shall be entitled to exercise all of the same rights, powers and discretions available to the Lender hereunder or at law in respect of such matters;
- (c) the agent shall be entitled to deduct reasonable remuneration out of the receipts from any part of the Charged Property;
- (d) every such agent shall, so far as concerns responsibility for his acts or omissions, be deemed the agent and mandatary of, or employed or engaged by the Grantor and in no event the agent, mandatary or employee of the Lender; and
- (e) the appointment of every such agent by the Lender shall not incur or create any liability on the part of the Lender to the agent in any respect and such appointment or anything which may be done by any such agent or the removal of any agent or termination of any such appointment or engagement shall not have the effect of creating any liability of any nature whatsoever of any such agent towards the Grantor, except in case of gross or intentional fault.

Section 7.3 Lender's Right to Perform Obligations

If the Grantor shall fail, refuse or neglect to make any payment or perform any act required hereunder, then while any Event of Default exists and is continuing, and without notice to or demand upon the Grantor and without waiving or releasing any other right, remedy or recourse the Lender may have because of such Event of Default, the Lender may (but shall not be obligated to) make such payment or perform such act for the account of and at the expense of the Grantor, and shall have the right to take all such action and undertake such expenditures as it may deem necessary or appropriate. If the Lender shall elect to pay any sum due with reference

to the Charged Property, the Lender may do so in reliance on any bill, statement or assessment procured from the appropriate governmental authority or other issuer thereof without inquiring into the accuracy or validity thereof. Similarly, in making any payments to protect the security intended to be created hereunder, the Lender shall not be bound to inquire into the validity of any apparent or threatened adverse Lien, title, hypothec, encumbrance, claim or charge before making an advance for the purpose of preventing or removing the same.

Section 7.4 **Mise en demeure**

Except as otherwise expressly herein provided, or in any other Loan Document, or required by law, no notice or mise en demeure of any kind shall be required to be given to the Grantor by the Lender for the purpose of putting the Grantor in default, the Grantor being in default by the mere lapse of time allowed for the performance of an obligation or by the mere occurrence of an event constituting an Event of Default hereunder.

Section 7.5 **Exercise of Recourses**

In exercising any of the rights, recourses or remedies available hereunder, the Lender may at its discretion, in respect of all or any part of the Charged Property or any other security held by the Lender, exercise such rights, recourses and remedies as are available hereunder or at law, as it elects to exercise, without prejudicing the other rights, recourses and remedies available to the Lender in respect of all or part of the Charged Property or any other security held by the Lender. The Lender may exercise any of such rights, recourses and remedies in respect of all or any part of the Charged Property (or any other security held by the Lender), simultaneously or successively. It is further understood that the Lender shall be entitled to exercise and enforce all of the rights and remedies available to it, free from any control of the Grantor provided, however, that the Lender shall not be bound to realize any specific security nor exercise any right or remedy as aforesaid and shall not be liable for any loss which may be occasioned by any failure to do so.

Section 7.6 **Application of Proceeds**

All Proceeds collected by the Lender upon any sale or other disposition of the Charged Property, together with all other moneys received by the Lender hereunder, shall be applied in accordance with the terms of the Credit Agreement.

Section 7.7 **Surrender**

If a prior notice of the Lender's intention to exercise a hypothecary right is given to the Grantor, the Grantor shall, and shall cause any other Person in possession of the Charged Property subject to such prior notice and then belonging to the Grantor, to immediately surrender same to the Lender and shall execute, and cause to be executed, all deeds and documents required to evidence such surrender to the Lender.

Section 7.8 **Extension of Time and Waiver**

Neither any extension of time given by the Lender to the Grantor or any Person claiming through the Grantor, nor any amendment to this Agreement or other dealing by the Lender with a

subsequent owner of the Charged Property will in any way affect or prejudice the rights of the Lender against the Grantor or any other Person or Persons liable for payment of the Obligations. The Lender may waive any Event of Default in its sole discretion. No waiver will extend to a subsequent Event of Default, whether or not such subsequent Event of Default is the same as or similar to the Event of Default waived, and no act or omission by the Lender will extend to, or affect, any subsequent Event of Default or the rights of the Lender arising from such Event of Default. Any such waiver must be in writing and signed by the Lender. No failure on the part of the Lender or the Grantor to exercise, and no delay by the Lender or the Grantor in exercising, any right pursuant to this Agreement will operate as a waiver of such right. No single or partial exercise of any such right will preclude any other or further exercise of such right.

ARTICLE 8 ADDITIONAL RIGHTS OF THE LENDER

The Grantor agrees that upon the occurrence and during the continuance of an Event of Default, the following provisions shall apply to supplement the provisions of any Applicable Law and without limiting any other provisions of this Agreement or the other Loan Documents dealing with the same subject matter:

- (a) The Lender shall be the irrevocable mandatary and agent of the Grantor, with power of substitution, in respect of all matters relating to the enforcement of all rights, recourses and remedies of the Lender. The Lender shall, as regards all of the powers, authorities and discretions vested in it hereunder, have the absolute and unfettered discretion as to the exercise thereof whether in relation to the manner or as to the mode or time for their exercise.
- (b) Without limiting the generality of paragraph (a) hereinabove, but subject to the Credit Agreement and Applicable Law, the Grantor agrees that the Lender may, but is not obliged to, at the expense of the Grantor, for the purposes of protecting or realizing upon the value of the Charged Property or its rights:
 - (i) cease or proceed with, in any way the Lender sees fit, any enterprise of the Grantor, and the administration of the Charged Property, including, without limitation, the generality of the foregoing:
 - (A) sign any loan agreement, security document, lease, service contract, construction contract, management contract, development contract, maintenance contract or any other agreement, contract, deed or other document in the name of and on behalf of the Grantor in connection with the Charged Property or any enterprise operated by or on behalf of the Grantor and renew, cancel or amend from time to time any such agreement, contract, deed or other document;
 - (B) maintain, repair, renovate, operate, alter, complete, preserve or extend any part of the Charged Property in the name of the Grantor

including undertaking or completing any construction work at the Grantor's expense;

- (C) consent to or terminate in the name of the Grantor any servitude or other real right affecting the Charged Property;
 - (D) reimburse for and on behalf of the Grantor any third Person having a claim against any part of the Charged Property;
 - (E) borrow money or lend its own funds for the purposes of preserving, maintaining, renovating, repairing or replacing the Charged Property or any part thereof; and
 - (F) receive the revenues, rents, fruits, products and profits from the Charged Property and endorse any cheque, securities or other instrument;
- (ii) dispose of any part of the Charged Property likely to rapidly depreciate or decrease in value;
 - (iii) use the information it has concerning the Grantor or any information obtained during the exercise of its rights;
 - (iv) fulfil any of the undertakings of the Grantor or of any other Person;
 - (v) use, administer and exercise any other right pertaining to the Charged Property; and
 - (vi) do all such other things and sign all documents in the name of the Grantor as the Lender may deem necessary or useful for the purposes of exercising its rights, recourses and remedies hereunder, under the Credit Agreement or under Applicable Law.
- (c) In the event of the exercise by the Lender of any right, recourse or remedy following the occurrence and during the continuance of an Event of Default:
 - (i) the Lender shall only be accountable to the Grantor to the extent of its commercial practice and within the delays normally observed by the Lender and the Lender shall not be obliged to, with respect to the Charged Property or any enterprise operated by or on behalf of the Grantor:
 - (A) make inventory, take out insurance or furnish any security;
 - (B) advance any sums of money in order to pay any expenses, not even those expenses that may be necessary or useful; or
 - (C) maintain the use for which the enterprise of the Grantor is normally intended, make it productive or continue its use;

and shall not be held liable for any loss whatsoever other than as a result of its gross or intentional fault;

- (ii) subject to the provisions of Section 7.6 hereof, any and all sums of money remitted to or held by the Lender may be invested at its discretion, without the Lender being bound by any legislative provisions relating to the investment or administration of the property of others; the Lender is not obliged to invest or pay interest on amounts collected even where such amounts exceed the amounts due by the Grantor;
 - (iii) the Lender may itself, directly or indirectly, become the owner of the whole or any part of the Charged Property to the extent not prohibited by law;
 - (iv) the Lender may, at the time it exercises its rights, renounce to a right belonging to the Grantor, make settlements and grant discharges and mainlevées, even without consideration;
 - (v) in the event the Lender exercises its hypothecary right of taking in payment and the Grantor requires the Lender to sell the whole or any part of the Charged Property, the Grantor acknowledges that the Lender shall not be required to renounce to its hypothecary right of taking in payment unless, prior to the expiration of the time limit to surrender, the Lender (i) shall have received security, which the Lender deems satisfactory, to the effect that the sale will be made at a price sufficient to enable the Lender to be paid its claim in full, (ii) shall have been reimbursed the costs it shall have incurred, and (iii) shall have been advanced all amounts necessary for the sale of the Charged Property;
 - (vi) in the event that the Lender sells the whole or any part of the Charged Property, it will not be required to obtain any prior appraisal from a third party; and
 - (vii) the sale of the Charged Property may be made with legal warranty on the part of the Grantor or, at the option of the Lender, with total or partial exclusion of warranty.
- (d) The Lender shall only be bound to exercise reasonable prudence and diligence in the execution of its rights and performance of its obligations under the terms of this Agreement or at law and the Lender shall not be responsible for prejudice that may result from its fault or that of its agents or representatives, except if resulting from gross or intentional fault.
- (e) The Lender shall not be responsible in respect of any obligations undertaken in the exercise of its powers under the terms of this Agreement or at law, or by reason of any delay, omission or any other act made in good faith by the Lender or its representatives with the exception of obligations undertaken or acts made further to gross or intentional fault.

ARTICLE 9 MISCELLANEOUS

Section 9.1 Separate Security

This Agreement and the hypothec created herein, are and shall be in addition to and not in substitution for, any other security held by the Lender in connection with the Credit Agreement.

Section 9.2 Further Assurances

The Grantor shall at all times do all such things and provide all such reasonable assurances as may be required to consummate the transactions contemplated by this Agreement, and shall provide such further documents or instruments required by the Lender as may be reasonably necessary or desirable to effect the purpose of this Agreement and carry out its provisions, and for the better hypothecating the Charged Property or the rendering of the hypothec created hereunder opposable to third parties.

Section 9.3 Notice

Any notice or other communication, including a demand or a direction, required or permitted to be given hereunder shall be in writing and shall be made in accordance with the terms of the Credit Agreement.

Notwithstanding the foregoing, if the *Civil Code of Québec* requires that a notice or other communication be given in a specified manner, then any such notice or communication shall be given in such manner.

Section 9.4 Limitation of Liability

The Lender shall not be liable or accountable:

- (a) by reason of any entry into or taking possession of all or any of the Charged Property, to account for anything except actual receipts, or for any loss on realization or any act or omission for which a creditor might be liable; or
- (b) for any failure to exercise its remedies, take possession of, seize, collect, realize, sell, lease or otherwise dispose of or obtain payment for the Charged Property and shall not be bound to institute proceedings for such purposes or for the purpose of preserving any rights, remedies or powers of the Lender, the Grantor or any other Person in respect of same.

The Grantor releases and discharges the Lender and any agent appointed under Section 7.2 from every claim of every nature, whether resulting in damages or not, which may arise or be caused to the Grantor or any Person claiming through or under the Grantor by reason or as a result of anything done by the Lender or any successor or assign claiming through or under the Lender or any such agent under the provisions of this Agreement unless such claim be the result of gross or intentional fault.

Section 9.5 **Expenses**

The Grantor shall pay all reasonable costs and expenses (including the reasonable fees and disbursements of legal counsel and other advisors) incurred by the Lender in connection with the negotiation, preparation and execution of this Agreement and the protection of and enforcement under this Agreement, advice with respect to this Agreement, and those arising in connection with the realization, disposition, retention, protection or collection of any Charged Property and the protection or enforcement of the rights, remedies and powers of the Lender or any agent and those incurred for registration of the hypothecs created herein at the Register of Personal and Movable Real Rights. All amounts for which the Grantor is required under this Agreement to reimburse the Lender or any agent shall, from the date of disbursement until the date the Lender or the receiver receives reimbursement, be deemed advanced to the Grantor by the Lender, shall be deemed to be Obligations secured hereby and shall bear interest at the highest rate per annum charged under any of the Obligations.

In particular, the Grantor agrees to indemnify and save the Lender harmless from all reasonable legal fees and disbursements incurred by the Lender in connection with any enforcement of rights and remedies under this Agreement. This indemnity is independent of and in addition to any right which the Lender may have to seek recovery of costs in any litigation which results in respect of this Agreement and is intended to ensure that the Lender is fully reimbursed for one-hundred percent (100%) of the reasonable fees and disbursements which may be incurred by it and its legal counsel.

Section 9.6 **Amendments and Waivers**

No amendment, supplement, modification or waiver or termination of this Agreement and, unless otherwise specified, no consent or approval by any party, shall be binding unless executed in writing by the party to be bound.

Section 9.7 **Waivers**

No course of dealing on the part of the Lender, its officers, employees, consultants or agents, nor any failure or delay by the Lender with respect to exercising any right, power or privilege of the Lender under this Agreement, shall operate as a waiver thereof.

Section 9.8 **Payment to Third Parties**

If the Lender is at any time or from time to time required to make a payment in connection with the security constituted by this Agreement, such payment and all reasonable costs of the Lender (including legal fees and other expenses) shall be immediately payable by the Grantor to the Lender and shall bear interest at the highest rate provided in the Credit Agreement.

Section 9.9 **Indivisibility**

Every divisible obligation in favour of the Lender arising out of this Agreement must be performed in its entirety by each heir or legal representative of any Person who is liable to the same extent as if it were indivisible.

Section 9.10 Time

Time is and shall be of the essence in the performance of the parties' respective obligations.

Section 9.11 Paramountcy

If there is a conflict, inconsistency, ambiguity or difference between any provision of this Agreement and the Credit Agreement, the provisions of the Credit Agreement shall prevail, and such provision of this Agreement shall be amended to the extent necessary to eliminate any such conflict, inconsistency, ambiguity or difference, save and except in respect of the provisions of this Agreement which relate to the creation and enforcement of the hypothec hereby constituted, which provisions shall govern and prevail over the provisions of the Credit Agreement. Any right or remedy in this Agreement which may be in addition to the rights and remedies contained in the Credit Agreement shall not constitute a conflict, inconsistency, ambiguity or difference.

Section 9.12 Governing Law

This Agreement shall be governed by and construed in accordance with the laws of the Province of Québec and the laws of Canada applicable therein and the Grantor and the Lender hereby expressly and irrevocably submit to the non-exclusive jurisdiction of the Superior Court, District of Montreal.

Section 9.13 Language

The parties hereto confirm that they have requested that this Agreement and all related documents be drafted in English. *Les parties aux présentes ont exigé que le présent acte et tous les documents connexes soient rédigés en anglais.*
