ASSIGNMENT

Whereas we, **Young Gook LEE**, and **Sung Hwa KIM** are joint inventors of certain new and useful improvements in an "AIR VENT FOR A VEHICLE", for which a US national stage patent application from international Patent Application Number PCT/KR2015/010020 is being contemporaneously filed (Porter Wright reference number (3997857-209737));

And whereas, the **NIFCO KOREA INC.**, having an address of, #146, Asan Valley Nam-ro, Dunpo-myeon, Ansan-si, Chungcheongnam-do 336-871, Republic of Korea, is desirous of acquiring the entire right, title and interest in, to and under the invention and the US national stage patent application, and any patent applications claiming priority therefrom;

Now, therefore, in accordance with my employment agreement and other good and valuable consideration, the receipt of which is hereby acknowledged, we, **Young Gook LEE**, and **Sung Hwa KIM**, do hereby sell, assign and transfer to **NIFCO KOREA INC.** the entire right, title and interest in and to the invention of new and useful improvements in and to an "AIR VENT FOR A VEHICLE", the US national stage patent application, the invention therein described, and all rights appurtenant thereto, including each of the following: the right to apply for any other patent for the invention in the United States of America, any and all other US patent applications on the invention including all non-provisional, divisional, continuation, continuation-in-part, renewal, substitute and refiled or reissue applications based in whole or in part upon the invention or upon the US national stage patent application or related thereto; any and all patents that may issue thereon in the United States of America; and any and all right of priority claimed in the US national stage patent application and International Patent Application No. PCT/ KR2015/010020, all to be held by the **NIFCO KOREA INC.**, and its successors and assigns, all the same as we would have held and enjoyed had this Assignment not been made.

We hereby request and authorize the empowered officials of the United States of America to grant, issue, and transfer any US patent for the invention to the **NIFCO KOREA INC.**, as assignee of the entire right, title and interest therein, in accordance with this instrument of assignment.

We hereby represent and warrant that there are no outstanding rights or interest inconsistent with the rights and interests granted herein; we bind ourselves and our heirs, executors, administrators and legal representatives to execute and deliver to the **NIFCO KOREA INC.**, and its successors and assigns, any further documents or instruments and to perform any and all further acts that may be deemed necessary to enable it, and its successors and assigns, to file applications for patent for said invention in the United States of America, and to vest in the **NIFCO KOREA INC.**, and its successors and assigns, the title herein conveyed, and to enable such title to be recorded in each application so that any patent issued thereon shall be issued to vest in the **NIFCO KOREA INC.**, and its successors and assigns.
