## ASSIGNMENT OF INVENTION

In consideration of my employment agreement with **KD SECURE, LLC**, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I, **DANIAR HUSSAIN**, a citizen of the United States, whose principal address is at 19 Trowbridge Street, Apt.1, Cambridge, MA 02138 (the "Assignor") hereby assign, transfer, set over, convey, and deliver to **KD SECURE, LLC**, a State of Florida limited liability company, having a principal place of business located at 101 Main Street, Cambridge, MA 02142, its successors and assigns (collectively referred to herein as "Assignee"), all my rights, title, and interest in, to, and under any and all subject matter of the inventions disclosed and/or claimed in the International Application filed under the International Patent Cooperation Treaty titled "Video surveillance, storage, and alerting system having network management, hierarchical data storage, video tip processing, and vehicle plate analysis", and filed in the United States Patent and Trademark Office on October 4, 2007 as International Application No. PCT/US07/80488 ; and in and to any and all provisional, continuation, continuation in part, continued prosecution, request-for-continued examination, and divisional applications thereof; in and to any foreign application or applications corresponding to said application, in whole or in part, in countries other than the United States, in and to any Letters Patent and similar protective rights granted on said foreign applications, and in and to the right to claim any applicable priority rights arising from or required for said foreign applications under the terms of any applicable conventions, treaties, statutes, or regulations; and in and to my exclusive right to make and prosecute any and all applications for patents, reissues, renewals, and extensions thereof. The right, title, and interest is to be held and enjoyed by Assignee, its successors and assigns, as fully and exclusively as it would have been held and enjoyed by me had this assignment not been made. Assignee requests the applicable official having authority to issue patents and/or corresponding rights to issue same on the subject matter of the said invention(s) to Assignee, its successors and assigns, and, if called upon by Assignee, its successors, assigns, or legal representatives, I agree to promptly sign any and all documents necessary to secure any and all such patents and/or rights and for issuance of same to Assignee or its successors and assigns.

I covenant with Assignee, its successors, assigns, and legal representatives that the interest and property hereby conveyed is free from all prior assignment, grant, mortgage, license, or other encumbrance.

I confirm that no agreement in conflict with this assignment has been made. I, further agree to sign any and all lawful papers that Assignee, its successors, assigns, and legal representatives deem necessary or desirable and request in connection with obtaining and/or maintaining any such patents and/or rights; in connection with any proceeding, controversy, and/or litigation pertaining to any such patents and/or rights; in order to perfect and/or enforce the ownership by Assignee, its successors and assigns, of the right, title, and interest conveyed by this assignment; and/or in connection with this assignment, without payment of consideration to me beyond what is called for in my written employment agreement, if any, however, that Assignee will bear all reasonable expenses actually incurred for or in connection with such matters. This assignment and obligations assumed by me shall be binding on my heirs and personal representatives.

Assignor:

DANIAR HUSSAIN

Date: 02/10/09

STATE OF MASSACHUSETTS  
County of Middlesex

On this 10 day of February, 2009, **Daniar Hussain** appeared personally before me, identified himself to my satisfaction, and being duly sworn, signed the foregoing assignment in my presence and acknowledged it as his free act and deed.

ASSIGNMENT OF INVENTION

In consideration of my agreement with **KD SECURE, LLC**, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I, **JOHN J. DONOVAN**, a citizen of the United States, whose principal address is at 482 Bay Road, Hamilton, Massachusetts, 01936 (the "Assignor") hereby assign, transfer, set over, convey, and deliver to **KD SECURE, LLC**, a State of Florida limited liability company, having a principal place of business located at 101 Main Street, Cambridge, MA 02142, its successors and assigns (collectively referred to herein as "Assignee"), all my rights, title, and interest in, to, and under any and all subject matter of the inventions disclosed and/or claimed in the . . . . . patent application for United States Patent the application titled *A video surveillance, storage, and altering system having network management, hierarchical data storage, video processing, and vehicle plate analysis*, and filed in the United States Patent and Trademark Office on *19-Oct-2007* as Serial No. *PCT/US07/80408* and in and to any and all other provisional, continuation, continuation in part, continued prosecution, request-for-continued examination, and divisional applications thereof; in and to any foreign application or applications corresponding to said application, in whole or in part, in countries other than the United States, in and to any Letters Patent and similar protective rights granted on said foreign applications, and in and to the right to claim any applicable priority rights arising from or required for said foreign applications under the terms of any applicable conventions, treaties, statutes, or regulations; and in and to my exclusive right to make and prosecute any and all applications for patents, reissues, renewals, and extensions thereof. The right, title, and interest is to be held and enjoyed by Assignee, its successors and assigns, as fully and exclusively as it would have been held and enjoyed by me had this assignment not been made. Assignee requests the applicable official having authority to issue patents and/or corresponding rights to issue same on the subject matter of the said invention(s) to Assignee, its successors and assigns, and, if called upon by Assignee, its successors, assigns, or legal representatives, I agree to promptly sign any and all documents necessary to secure any and all such patents and/or rights and for issuance of same to Assignee or its successors and assigns.

I covenant with Assignee, its successors, assigns, and legal representatives that the interest and property hereby conveyed is free from all prior assignment, grant, mortgage, license, or other encumbrance.

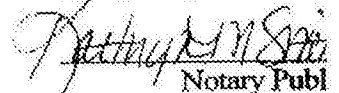

I confirm that no agreement in conflict with this assignment has been made. I further agree to assist the Assignee its successors and assigns, with maintaining and defending the rights, title and interest conveyed by this assignment as may be required in connection with any proceeding, controversy, and/or litigation pertaining to the invention identified herein. To assist the Assignee with the foregoing, I agree to sign all lawful papers, provide testimony and generally stand behind the invention which is the subject of this agreement; and I agree to do so without payment of consideration to me. It is understood however that Assignee will bear the cost related to any such proceeding, controversy, and/or litigation; and will bear all reasonable expenses, such as travel and lodging expenses that I actually incur in connection with my assistance with such matters. This assignment shall be binding on my heirs and personal representatives.
