CONFIRMATORY DEED OF ASSIGNMENT

THIS DEED executed on the date(s) indicated below and having effect from the 19th day of September 2013.

BETWEEN **PETER JOHN WIGLEY**, a New Zealand citizen, of 4/10 St Georges Bay Road, Parnell, Auckland 1052, New Zealand;
CAROLINE ELIZABETH GEORGE, a New Zealand citizen, of 149A Gowing Drive, Meadowbank, Auckland 1072, New Zealand; and
SUSAN JANE TURNER, a New Zealand citizen, of, 48D Anglesea Street, Freemans Bay, Auckland 1011, New Zealand.") (hereinafter referred to as "the Assignors")

AND **BIODISCOVERY NEW ZEALAND LIMITED**, a New Zealand company of 24 Balfour Road, Parnell, Auckland, 1052, New Zealand (hereinafter referred to as "the Assignee")

BACKGROUND

The Assignors collectively executed deeds of assignment in relation to an invention(s) described in New Zealand patent application number 602532.

The Assignors on the commission of or by virtue of employment by or in return for money or money's worth from the Assignee have continued work on the invention(s) since the filing of New Zealand patent application number 602532 and have designed and developed further invention(s) which are the subject matter of International Patent Application number PCT/NZ2013/000171 and New Zealand patent application number 615426, and pursuant to which have produced or had produced various works relating thereto including but not limited to sketches, drawings, photographs, prototypes, models, descriptions, literary works, formulae, processes and/or technical data, hereinafter collectively referred to as "said works".

The Assignors confirm all rights relating to the said further invention(s) and said works including any invention, copyright or design or rights of a like nature subsisting therein already is or will be pursuant to this assignment the property of the Assignee for all countries of the world.

NOW THIS DEED WITNESSES that in consideration of the commission, employment or return and one dollar New Zealand currency (NZ\$1.00), the receipt and sufficiency whereof the Assignors hereby acknowledge, the Assignors do hereby assign and transfer unto the Assignee any and all right, title and interest in and to said further invention(s) and said works to which the Assignors might otherwise be legally or beneficially entitled for all countries of the world, including any invention or any copyright or design or rights of a like nature in respect of any artistic, literary or other works relating to said invention, together with the right for the Assignee to apply for and obtain patent, design, copyright or other protection in New Zealand and overseas for the said further invention(s), for the consideration hereinbefore stated unto and to the use of the Assignee, its successors and assigns absolutely.

AND FURTHER PROVIDED THAT the Assignors hereby undertake to do any reasonable acts at the request and expense of the Assignee as may be necessary to give effect to the assignment of the said rights and to facilitate the filing, obtaining, maintenance or enforcement of protection for said further invention(s) including any patent, design or copyright protection or the like, in the name of the Assignee.

AND FURTHER PROVIDED THAT the Assignors hereby agree unconditionally and irrevocably to waive their rights to be identified as the author of copyright in the works, and the right not to have the works subjected to derogatory treatment, this waiver being made expressly in favour of the Assignee, and its licensees, assigns and successors in title.

AND **BIODISCOVERY NEW ZEALAND LIMITED**, a New Zealand company of 24 Balfour Road, Parnell, Auckland 1052, New Zealand (hereinafter referred to as "the Assignee")

BACKGROUND

WHEREAS the Assignors on the commission of or by virtue of employment by or in return for money or money's worth from the Assignee have designed and developed an invention entitled **SCREENING METHODS** (hereinafter referred to as "said invention"), which is the subject of **New Zealand Patent Application No. 602532** and pursuant to which have produced or had produced various works relating thereto including but not limited to sketches, drawings, photographs, prototypes, models, descriptions, literary works, formulae, processes and/or technical data, hereinafter collectively referred to as "said works".

AND WHEREAS it was or is now agreed between the Assignee and the Assignors that all rights relating to said invention and said works including any invention, copyright or design or rights of a like nature subsisting therein already is or will be pursuant to this assignment the property of the Assignee for all countries of the world.

NOW THIS DEED WITNESSES that in consideration of the commission, employment or return and one dollar New Zealand currency (NZ\$1.00), the receipt and sufficiency whereof the Assignors hereby acknowledge, the Assignors do hereby assign and transfer unto the Assignee any and all right, title and interest in and to said invention and said works to which the Assignors might otherwise be legally or beneficially entitled for all countries of the world, including any invention or any copyright or design or rights of a like nature in respect of any artistic, literary or other works relating to said invention, together with the right for the Assignee to apply for and obtain patent, design, copyright or other protection in New Zealand and overseas for the said

invention, for the consideration hereinbefore stated unto and to the use of the Assignee, its successors and assigns absolutely.

AND FURTHER PROVIDED THAT the Assignors hereby undertake to do any reasonable acts at the request and expense of the Assignee as may be necessary to give effect to the assignment of the said rights and to facilitate the filing, obtaining, maintenance or enforcement of protection for said invention including any patent, design or copyright protection or the like, in the name of the Assignee.

AND FURTHER PROVIDED THAT the Assignors hereby agree unconditionally and irrevocably to waive their right to be identified as the authors of copyright in the works, and the right not to have the works subjected to derogatory treatment, this waiver being made expressly in favour of the Assignee, and its licensees, assigns and successors in title.
