CORRECTIVE ASSIGNMENT

FOR PRIORITY APPLICATION ENTERING UNITED STATES

Attorney Docket No.

V065.0004US1

WHEREAS, VACTEC, a company organized and existing under the laws of France, and having offices at Zone Industrielle, F-18400 Saint Florent sur Cher, France, is an assignee (by assignment from Maurice Kadoche, recorded on Reel 036393, Frame 0672) of an invention described in an application for Letters Patent of the United States entitled "FIREFIGHTING INSTALLATION INCLUDING A NETWORK OF VACUUM SPRINKLERS THAT CAN BE TRIPPED BY AN ACTUATOR OPERATED BY A MEMBRANE MASTER ACTUATOR", the application having been identifiable in the United States Patent and Trademark Office by Application No. 14/769,726, filed August 21, 2015 and having a date under title 35 371(c) of August 21, 2015, and

WHEREAS, the invention was intended to be assigned from the inventor to both VACTEC and the inventor Maurice Kadoche, residing at 42 Avenue Corot, F-93470 Cubron, France, such that VACTEC and Maurice Kadoche would be joint assignees. However, the assignment from the inventor recorded on Reel 036393, Frame 0672 mistakenly included VACTEC as the only assignee. This Corrective Assignment therefore corrects that previous, erroneous assignment.

WHEREAS, the undersigned person is authorized to execute this assignment on behalf of VACTEC.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, VACTEC transfers and assigns to Maurice Kadoche an undivided, one-half (1/2), unrestricted interest in and to the invention, the above-identified application, all inventions and improvements which are disclosed in the patent applications, all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent(s) which have been or shall be filed in the United States on any of said inventions and/or improvements, all rights of priority resulting from the filing of the above-identified patent application(s), and all Letters Patent or similar legal protection issuing thereon. Each party hereto shall jointly own an equal, undivided, one-half (1/2), unrestricted interest in the above-identified application, any corresponding U.S. Applications, and any and all Letters Patent(s) or similar legal protection to be obtained therefor.

This box should not be checked if the applicant does not wish the EPO, JPO, KIPO, WIPO, or other intellectual property office in which a foreign application claiming priority to the above-identified patent application is filed to have access to the above-identified patent application.

In accordance with 37 CFR 1.14(h)(3), access will be provided to a copy of the above-identified patent application with respect to: 1) the above-identified patent application-as-filed; 2) any foreign application to which the above-identified patent application claims priority under 35 U.S.C. 119(a)-(d) if a copy of the foreign application that satisfies the certified copy requirement of 37 CFR 1.55 has been filed in the above-identified patent application; and 3) any U.S. application-as-filed from which benefit is sought in the above-identified patent application.

In accordance with 37 CFR 1.14(c), access may be provided to information concerning the date of filing the Authorization to Permit Access to Application by Participating Offices.

STATEMENTS

I have reviewed and understand the contents of the above-identified application, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose to the United States Patent Office all information known to me to be material to patentability as defined in 37 C.F.R. 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part.

If the above-identified application is to be or was filed on or after September 16, 2012:

I declare that the above-identified application was made or authorized to be made by me.

I believe I am the original inventor or an original joint inventor of a claimed invention in the application.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

If the above-identified application was filed before September 16, 2012:

I believe the inventor(s) named below to be the original and first inventor(s) of the subject matter which is claimed, and for which a patent is sought, on the subject matter which is claimed in the above-identified application.

I declare that all statements made herein that are of my own knowledge are true and that all statements that are made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. § 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
