ASSIGNMENT

Whereas, Rex E. Isenhower, a citizen of Iowa, residing at 508 East Preston Street, Standwood, IA 52337 has invented an invention entitled: "Reverse Style Crossbow Having Four Cable Pulleys" for which he has made application for Letters Patent of the United States of America; and

Whereas, Archery Innovators, a Limited Liability Company registered in the State of Iowa, residing at 411 West Greenfield Drive, Tiffin, IA 52304, desires to acquire the entire right, title and interest in and to said invention, in that Archery Innovators has provided the time, equipment and resources in order for said invention to be developed:

Now, therefore, for good and valuable consideration being the payment of patent application costs, payment of patent application fees, payment of one dollar, and the receipt of which is hereby acknowledged, Rex E. Isenhower by these presents does sell, assign and transfer unto said Archery Innovators, his successors and assigns, all right, title and interest, in the United States of America and all foreign countries, in and to said invention as described in a patent application executed by him, concerning subject matter of said invention, and to any improvements on said invention heretofore or hereafter made by him during the pendency of the aforesaid patent application, and any divisions or continuations, which may be filed in the United States of America or foreign, which may be granted on said invention and said improvements to said invention; Rex E. Isenhower hereby authorizes the Commissioner of Patents and Trademarks to issue all Patents on said United States of America applications arising out of said invention and improvements to said invention to said Archery Innovators as assignee thereof; and

For said consideration, I, Rex E. Isenhower, hereby covenant and agree that I am the owner of the full title herein assigned and have the right to assign the same, and agree that I will communicate to said Archery Innovators or its representatives any facts known to me respecting said invention and testify in any legal proceedings relating thereto when called upon, and will sign all instruments and documents and render such assistance which, in the judgment of Archery Innovators, is necessary to vest and protect the legal title sought to be assigned to it.
