ASSIGNMENT

This Assignment is made by me, Dean Solon, a citizen of the United States of America, residing at 223 Woodlake Drive, Gallatin, County of Sumner, State of Tennessee, hereinafter referred to as "Assignor".

WITNESSETH: That;

WHEREAS, I am the inventor of certain new and useful improvements in a UNDERMOLDED AND OVERMOLDED FUSE JOINTS (hereinafter referred to as the "Invention") for which I have made an application for Letters Patent of the United States, Application Serial Number 15/412,989 filed January 23, 2017 (hereinafter referred to as the "Application"); and

WHEREAS, Shoals Technologies Group, LLC, a corporation duly organized and existing under the laws of the State of Tennessee and having a principal place of business at 1400 Shoals Way, Portland, Tennessee, 37148, hereinafter referred to as "Assignee", is desirous of acquiring the entire right, title and interest in and to the Invention and the Application and any and all Letters Patent which shall be granted therefor;

NOW, THEREFORE, To All Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, the said Assignor, have sold, assigned, transferred and set over unto the Assignee, its successors and assigns, the entire right, title and interest in and to the Application and the Invention and in and to any and all Letters Patent of the United States which may hereafter be granted therefor, and in any and to any and all continuations, continuations-in-part, substitutions, divisions or reissues of the Application or said Letters Patent, the same to be held and enjoyed by the Assignee, for its interest, and for its own use and behalf, and the use and behalf of its successors and assigns, to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by me had this assignment and sale not been made.

And for the consideration aforesaid, I hereby covenant and agree to and with the Assignee, its successors and assigns, that at the time of the execution and delivery of these presents I am the lawful owner of the entire right, title and interest in and to the Invention and the Application and Letters Patent above-mentioned and that the same are unencumbered, and that I have good right and lawful authority to sell and convey the same in the manner herein set forth.

And for the consideration aforesaid, I hereby covenant and agree to and with the Assignee, its successors and assigns, that I will, whenever its counsel or the counsel of its successors and assigns, learned in the law, shall advise that an amendment, division, continuation, continuation-in-part, or substitution of, or any other proceeding in connection with the Application, including interference proceedings, is lawful and desirable, sign all papers and drawings, take all rightful oaths, and do all acts necessary or required to be done for the procurement of valid Letters Patent for the Invention, or for the reissue of the same without charge to our said Assignee, its successors or assigns, but at its or their expense.

I hereby request the Commissioner for Patents to issue the Letters Patent in accordance with this instrument.

For the consideration aforesaid, I have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto the Assignee, its successors, assigns or nominee, the entire right, title and interest in and to any and all Letters Patent for the Invention which may be granted in countries foreign to the United States and in and to any applications for Letters Patent which may be filed for the Invention in countries foreign to the United States; and I hereby authorize and empower the Assignee, its successors, assigns or nominees to apply for Letters Patent or other form of protection on the Invention in its own name or in the name of its successor, Assignee, or nominee, in any and all countries where it may desire to file such application and where said application may be filed by another than the inventor; and I hereby covenant and agree to sign all papers and drawings, take all rightful oaths, and do all acts necessary or required to be done for procurement of Letters Patent, or other form of protection, for the Invention in countries foreign to the United States, and for further investing or confirming the right and title therein to the Assignee, its successors, assignee, or nominee, without charge to the Assignee, its successor, assignee or nominee, but at its or their expense.

IN WITNESS WHEREOF, I have hereunto set my hand and seal on the date indicated below.
