## ASSIGNMENT

WHEREAS, S. KUMAR KHANNA (hereinafter, the "Assignor") is the maker of an invention which is the subject of a United States Provisional Patent Application identified as Serial No. 61/894,469, filed on October 23, 2013, and entitled "UV-Curable Anisotropic Conductive Adhesive" (hereinafter, the "Application"); and

*SKK*  
*Sch 23, 2014*  
WHEREAS, SUNRAY SCIENTIFIC, LLC, a company having a place of business at ~~400 Technology Way, Mount Laurel, NJ 08054~~ (hereinafter, the "Assignee") is desirous of securing rights in the Application; <sup>^</sup> 361 Manahasset Avenue, Long Branch, NJ 07740

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the Assignor does hereby assign, sell, and set over to Assignee his entire right, title, and interest in, to, and under the Application, any and all patent applications filed in the United States and in all other countries claiming priority to the Application, all inventions disclosed therein, and any and all Letters Patent of the United States and of all other countries that may be granted for such inventions, all rights in such Letters Patent to be held and enjoyed by Assignee for its own use and enjoyment to the full end of the term or terms for which such Letters Patent may be granted, as fully and entirely as the same would have been held and enjoyed by Assignor had this assignment not been made.

The Assignor agrees to execute any and all papers in connection with the Application, any and all patent applications filed in the United States and in all other countries claiming priority to the Application, and any Letters Patent issuing therefrom, and also to execute separate assignments as the Assignee may deem necessary or desirable.

The Assignor agrees to execute any and all papers in connection with any litigation or administrative proceeding concerning the Application, any and all patent applications filed in the United States and in all other countries claiming priority to the Application, or any Letters Patent issuing therefrom, and also to cooperate with the Assignee in every way possible in obtaining evidence and participating in any such litigation or administrative proceeding.

The Assignor agrees to execute any and all papers and to perform any and all acts which the Assignee may deem necessary or desirable in view of the provisions of the Patent Cooperation Treaty, the International Convention for Protection of Industrial Property, or similar agreements.

The Assignor agrees to perform any and all other acts which, in the opinion of Assignee, may be necessary or desirable to secure the grant of Letters Patent to Assignee or its nominees, in the United States and in all other countries where Assignee may desire patent protection, with specifications and claims in such form as shall be approved by Assignee, and to vest and confirm in Assignee or its nominees the full and complete legal and equitable title to all such Letters Patent.

The Assignor hereby covenants that he has the full right to convey the interests herein assigned, and that the Assignor has not executed, and will not execute, any agreement in conflict herewith.

The Assignor hereby grants the attorney of record the power to insert on this assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent & Trademark Office for recordation of this document.
