PATENT ASSIGNMENT

This PATENT ASSIGNMENT (this “**Assignment**”), is made and entered into as of January 27, 2017 (the “**Effective Date**”), by and among Twitter, Inc., a Delaware Corporation, and Crashlytics, Inc., a Delaware Corporation, on the one hand (“**Assignor**”) and Google Inc., a Delaware corporation, on the other hand (“**Assignee**”).

RECITALS

WHEREAS, Assignor and Assignee are parties to that certain Asset Purchase Agreement dated as of January 17, 2017, as amended, (the “**Purchase Agreement**”) and that certain Intellectual Property Assignment Agreement, dated as of January 27, 2017, pursuant to which the parties have agreed that all Assigned Patents will be owned by Assignee and assigned to Assignee hereunder;

WHEREAS, this Assignment is being executed to effect and record the assignment and sale from Assignor to Assignee of the Assigned Patents (as defined below).

NOW, THEREFORE, in consideration of the premises and the mutual agreements and covenants set forth herein, and such other good and valuable consideration as agreed between Assignor and Assignee under separate agreements, Assignor and Assignee hereby agree as follows:

1. Assignment of Assigned Patents.

Upon the terms and subject to the conditions set forth in the Purchase Agreement (including Section 1.4(a) of the Purchase Agreement), effective as of the Closing, Assignor hereby irrevocably and perpetually sells, assigns, and transfers to Assignee, free and clear of all Liens (as defined in the Purchase Agreement), and Assignee hereby purchases, acquires and accepts, all right, title and interest in and to the following (it being understood that the transfers contemplated by this Section 1 are intended to be absolute transfers and not by way of security) (collectively, the “**Assigned Patents**”):

(a) all patents, patent applications, industrial designs and other governmental grants for the protection of inventions or industrial designs, including any provisionals, divisions, continuations, continuations-in-part, renewals, reissuances, re-examinations and extensions of any of the foregoing, as set forth on Schedule 1 hereto;

(b) all rights of any kind whatsoever of Assignor accruing under any of the foregoing provided by applicable laws, rules or regulations of any jurisdiction, by international treaties and conventions and otherwise throughout the world;

(c) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing;

(d) all related rights of priority and protection of interests of any of the foregoing; and

(e) any and all claims, warranties, credits, causes of action and rights of Assignor, with respect to any of the foregoing, whether due, payable, accrued or arising on or after the Closing (or, in the case of the right to sue for Infringement of the Assigned Patents, before, on or after the Closing), including in each case rights to set-off, indemnity, warranty, reimbursement, refunds, recoupment, damages specific performance or other equitable relief and all other rights of enforcement or recovery possessed by the Seller Entities from or against any third Person regardless of whether or not such rights are currently exercisable or such claims have been asserted, except to the extent such rights are described in clause (iv) of the definition of "Excluded Assets".

2. Miscellaneous.

(a) This Assignment shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

(b) This Assignment shall not enlarge, restrict or otherwise modify the terms of the Purchase Agreement or constitute a waiver or release of any of the terms of the Purchase Agreement, including the representations, warranties, covenants, agreements and indemnities set forth in the Purchase Agreement, which shall remain in full force and effect to the full extent provided therein. In the event of any conflict or inconsistency between the terms of the Purchase Agreement and the terms hereof, the terms of the Purchase Agreement shall govern.

(c) If any provision of this Assignment or the application thereof becomes or is declared by a court of competent jurisdiction to be illegal, void or unenforceable, the remainder of this Assignment will continue in full force and effect and the application of such provision to other Persons or circumstances will be interpreted so as reasonably to effect the intent of the parties hereto. The parties further agree to replace such void or unenforceable provision of this Assignment with a valid and enforceable provision that will achieve, to the extent possible, the economic, business and other purposes of such void or unenforceable provision.

(d) This Assignment may not be amended except by an agreement in writing signed by each of the parties.

(e) This Assignment shall be construed and enforced in accordance with and governed by the laws of the State of California, regardless of the laws that might otherwise govern under applicable principles of conflicts of laws thereof.

(f) The parties may execute this Assignment in one or more counterparts, and each fully executed counterpart shall be deemed an original.
