In consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration paid to each of the undersigned,

Name Of Inventor Doug Highbridge
 maker of an invention which is or will be the subject of one or more patent applications ("Applications"), including:

Title of Application CEILING CUTOUT COLLAR AND REMODEL LIGHT FIXTURE
 Application Information for which a U.S. application was filed June 02, 2014
 Application Serial No.: 62/006,511

the undersigned hereby sell(s), assign(s), and set(s) over to:

Name of Assignee RAB Lighting, Inc.

Address of principal place of business 170 Ludlow Avenue
Northvale, NJ 07647

Insert State of Incorporation (if applicable) or "Not Applicable" a corporation of New York

(hereinafter designated as the Assignee) his/her entire right, title and interest in, to and under the Applications, including but not limited to all priority rights for the United States and all other countries arising there from including Canada (CA), Mexico (MX), People's Republic of China (CN), and Republic of China (TW), all inventions therein disclosed, and any and all Patents of the United States and of all other countries, which may be granted for such inventions, or any of them, any divisional, continuation, continuation-in-part, or reissue applications corresponding to the Applications or such Patents, and any reexamination of the Applications of such Patents, and any foreign patents or patent applications corresponding thereto, all such inventions and all rights in such Applications and Patents to be held and enjoyed by Assignee for its own use and enjoyment to the full end of the term or terms for which such Patents may be granted, as fully and entirely as the same would have been held and enjoyed by them had this assignment and sale not been made.

The undersigned agrees to execute all papers necessary in connection with the application(s) in the United States and foreign countries and any continuing, divisional, or reissue applications thereof, and any reexamination of any of such applications, and also to execute separate assignments in connection with such applications as the Assignee may deem necessary or expedient.

The undersigned agrees to execute all papers necessary in connection with any interference which may be declared or litigation concerning the application(s) or continuation, division, reissue or reexamination thereof, and to cooperate with the Assignee in every way possible in obtaining evidence and going forward with such Interference or litigation.

The undersigned agrees to execute all papers and documents and perform any act which may be necessary in connection with claims or provisions of the International Convention for Protection of Industrial Property, the Patent Cooperation Treaty, or similar agreements.

The undersigned agrees to do all other acts which, in the opinion of Assignee, may be necessary or desirable to secure the grant to Patents to Assignee or its nominees, in the United States and in all other countries where Assignee may desire to have such inventions, or any of them, patented, with specifications and claims in such form as shall be approved by assignee and to vest confirm in Assignee or its nominees the full and complete legal and equitable title to all such Patents.

The undersigned hereby authorizes and requests the Commissioner of Patents to issue any and all Patents of the United States resulting from said application(s) or any division or continuing or reissue applications thereof, and any reexamination of any of such applications, to the said Assignee, as Assignee of the entire interest, and hereby covenants that the undersigned has full right to convey the interest herein assigned, and that the undersigned has not executed, and will not execute, any agreement in conflict herewith.

The undersigned hereby grants the attorney of record the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document, or with the rules of the World Intellectual Property Office or patent offices of other countries.
