PATENT (US)

ASSIGNMENT FOR UTILITY OR DESIGN PATENT APPLICATION

Title of Invention: WINDOW LIFT MECHANISM

As a below named inventor, I hereby declare that this assignment is directed to:

Application No. (Express Mail Label No.)	62/335,992
Filing Date (Deposit Date)	May 13, 2016
Amended on (if applicable)	

For good and valuable consideration, receipt of which is hereby acknowledged, I have sold and assigned and hereby sell and assign to:

Assignee	Address
Milton Manufacturing Inc.	301 East Grixdale Detroit, MI 48203

and the successors and assigns thereof, my entire right, title and interest to (i) said invention, (ii) said application, (iii) any and all provisional applications on which priority is claimed, any and all related patent applications in the United States or a country foreign thereto, including continuations, continuations-in-part, divisionals, renewals, conversions, substitutes, reexaminations, reissues, convention, international (PCT) and other applications based in whole or in part upon said invention or upon said applications, (iv) any and all patents, including renewals, reissues, certificates of reexamination and extensions thereof granted for said invention or upon said applications, for the full term or terms for which the same may be granted, and (v) all priority rights that are or may be predicated upon or arise from said invention, said applications and said patents.

I hereby covenant that no assignment, sale, agreement or encumbrance has been or will be made or entered into by me that would conflict with this assignment and sale.

I authorize said Assignee to file in my own name or in its own name applications for patent in any country that are predicated upon or arise from said invention, said applications and said patents.

I agree to perform all affirmative acts which may be necessary to obtain a grant of a valid U.S. patent and any foreign patents to the Assignee and to vest all rights hereby conveyed to the Assignee as fully and entirely as the same would have been held by me if this Assignment had not been made.

I agree that this assignment shall be construed in accordance with the laws of the state of Ohio, and without regard to its conflicts of laws provisions.
