UNITED STATES

CONFIRMATORY ASSIGNMENT

In consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, the undersigned Assignor:

The University of Birmingham

hereby sells, assigns and transfers to Assignee:

Ludwig Institute for Cancer Research
Stadelhoferstrasse 22, 8001 Zurich, Switzerland

its successors, assigns and legal representatives any and all of its right, title and interest for the United States and all foreign countries, in and to, in the following patents and patent applications:

- a) US provisional patent application No. US61/565,287 filed November 30, 2011;
- b) International patent application No. PCT/EP2012/074140 filed November 30, 2012;
- c) US Patent Application No. 14/361,434 filed May 29 2014; and
- d) EP Patent Application No. 12798263.7 filed November 30 2012

Application for Letters Patent which has been executed by the undersigned concurrently herewith

and in and to the improvements which are disclosed in those patents and patent applications and all divisional, continuing, substitute, renewal, reissue and all other applications for Letters Patent which have been or shall be filed in the United States and all other foreign countries on any of said improvements; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said improvements.

The Assignee may apply for and receive the Letters Patent in its own name. When requested by the Assignee or its successors, the undersigned Assignor(s) will execute all other patent applications; proper oaths, assignments, powers of attorney, or other papers and communicate all facts known to him/her relating to the improvements and the history thereof; and generally do everything possible which the Assignee or its successors shall consider desirable for aiding in securing and maintaining proper patent protection for the improvements and for vesting title in the Assignee or its successors.

Assignor warrants that he/she has the full right to convey the rights and property described herein and no assignment, grant, mortgage or license or other agreement affecting such rights and property has been made to other by the undersigned.
