ASSIGNMENT

WHEREAS, H.P.C., LLC, a limited liability company duly organized under the laws of the State of Kansas, and having its principal place of business at 401 Central Avenue, Horton, County of Brown, and State of Kansas, having acquired by assignment recorded with the US Patent and Trademark Office on October 07, 2002, serial # 09586230, all rights, title and interest in all Letters Patent of the United States of America, including Patent # 6,305,678 issued October 23, 2001, on an invention of certain new and useful improvements in a WELDER POSITIONER, and all refilings, divisions and continuations thereto, and any and all applications for Letters Patent upon said invention which may thereafter be filed in any and all countries foreign to the United States of America; and

WHEREAS, H.P.C., LLC, has by action of its membership in a duly held special meeting conducted May 15, 2017, with quorum present and affirmed by its Secretary/Manager, passed a resolution authorizing the assignment of any and all rights, title and interest the company now holds in a Welder Positioner, under Letters Patent number 6,305,678 that has been issued, or Letters Patent together with any and all refilings, divisions and continuations which may be issued to Hammersmith Mfg. & Sales, Inc., for good and valuable consideration, and did authorize the Manager of the company to effect the transfer of the same; and

WHEREAS, Hammersmith Mfg. & Sales, Inc., a corporation duly organized under the laws of the State of Kansas, and having its principal place of business at 401 Central Avenue, Horton, County of Brown, and State of Kansas, is desirous of acquiring an interest in, to and under said Welder Positioner and any and all Letters Patent including Letters Patent number 6,305,678, which has or may be granted for or upon said Welder Positioner in the United States of America and any and all countries foreign thereto;

NOW, THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, H.P.C., LLC by and through the actions of its authorized Manager, have sold, assigned and transferred, and by these presents do sell, assign and transfer unto Hammersmith Mfg. & Sales, Inc., the full and exclusive right, title and interest, throughout the world, in, to and under said invention as fully set forth and described in Letters Patent number 6,305,678 of the United States of America issued October 23, 2001; in, to and under any and all refilings, divisions and continuations of said Letters Patent; in, to and under any and all Letters Patent of the United States of America which may

issue from said refilings, divisions and continuations; in, to and under any and all reissues of said Letters Patent of the United States of America; in, to and under any and all applications for Letters Patent upon said invention which may hereafter be filed in any and all countries foreign to the United States of America; in, to and under any and all refilings, divisions and continuations of said foreign-filed applications; in, to and under any and all Letters Patent of countries foreign to the United States of America, which may issue from the said foreign-filed applications, refilings, divisions and continuations; and in, to and under any and all extensions of, and additions to, said Letters Patent of countries foreign to the United States of America, the same to be held and enjoyed by said Hammersmith Mfg. & Sales, Inc. for its own use and behoof, and for its successors, legal representatives and assigns, to the full end of the term for which said Letters Patent may be granted, and we do hereby authorize and request the Commissioner of Patents to issue the said Letters Patent in accordance with this assignment.

EXECUTED this 16th day of May, 2017.
