**Schedule D**

**Assignment**

WHEREAS, **Michael Shane Flanagan**, an individual whose full post office address is 4718 Old Hartsville Pike, Lebanon, Tennessee 37087 (the "Assignor") respectively, made an invention(s) entitled:

**LANDSCAPING EDGING SYSTEM**

as fully set forth and described in U.S. Patent No. 7,596,903 filed on February 24, 2006 (the "Invention");

AND WHEREAS, **Multy Home LP**, a limited partnership formed under the laws of the Province of Ontario, ( the "Assignee") whose full post office address is with principal offices at 100 Pippin Road, Concord, Ontario L4K4X9 wishes to acquire all the Assignor's right, title and interest in and to the Invention and to:

- a) all Letters Patent which may be granted or issued for the Invention;
- b) any divisions, continuations, renewals, prolongations, reissues and extensions of such patent applications and Letters Patent;
- c) all associated international priority rights;
- d) the right to file and prosecute such applications; and
- e) any and all patents which have been or may be granted by any country based either in whole or in part on the Invention of the patent applications and Letters Patent.

in all countries of the world, including the United States (collectively "the Patents");

NOW, THEREFORE, in consideration of the sum of Ten Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which is acknowledged, the Assignor sells, assigns, and conveys to the Assignee, its successors and assigns, all of the Assignor's right, title and interest in and to the Invention and the Patents, including the right to sue for and collect for said past infringements;

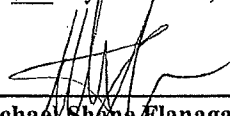

The Assignor authorises and requests the duly constituted authorities of all countries of the world, including the Commissioner of Patents of the United States, to record the assignment of the Patent to the Assignee, its successors and assigns, in accordance with the terms of this Assignment;

The Assignor has covenanted, and hereby covenants that he has the right to grant the rights and assume the obligations of this Assignment and that he has not executed, and will not execute, any agreement in conflict with this Agreement;

The Assignor agrees that he will, promptly on request and without further consideration, co-operate fully with the Assignee, its successors and assigns, in matters pertaining to the Invention(s) and the Patents including:

- a) the provision of all facts known and documents available to the Assignor relating to Invention(s) and Patents (including the histories thereof);
- b) the provision of oral and documentary evidence in any legal or administrative proceedings; and
- c) the execution of assignments, patent applications and any other documents which may be lawfully required by the Assignee or its successors or assigns

that, in the opinion of the Assignee, its successors and assigns, are desirable to file, prosecute, maintain or enforce the Patents, and for perfecting and maintaining the title to the Patents of the Assignee, its successors and assigns in all countries of the world, including the United States of America.
