ASSIGNMENT

THIS ASSIGNMENT, by **Primigenia, LLC** (hereinafter referred to as the Assignor), witnesseth:

WHEREAS, said Assignor holds the right, title, and interest in certain inventions, which are described and claimed in the applications for Letters Patent and Letters Patent listed in **Exhibit A** attached hereto;

WHEREAS **Slendine SA**, a body having corporate powers under the laws of **Switzerland** and having a principal place of business at **Via Cantonale 67, 6805 Mezzovico-Vira, Switzerland** (hereinafter referred to as the Assignee), is desirous of obtaining the entire right, title and interest in and to said inventions and said applications for Letters Patent, and in and to any Letters Patent, United States or foreign, to be obtained therefore and thereon, and to any and all improvements which are disclosed in said applications for Letters Patent;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged:

1. The Assignor has sold, assigned, transferred, and set over, and does hereby sell, assign, transfer, and set over unto said Assignee the entire right, title, and interest in, to, and under said inventions identified in Exhibit A; said applications for Letters Patent identified in Exhibit A; any Letters Patent which may be granted for said inventions in the United States of America and any foreign country as set forth in Exhibit A; any division, continuation, and continuation-in-part of said applications in Exhibit A; any reissue, supplemental examination, re-examination, or *inter partes* or covered business method review of said Letters Patent in Exhibit A; and all rights under the International Convention for the Protection of Industrial Property for any invention identified in Exhibit A; said right, title, and interest to be held and enjoyed by said Assignee for its own use and behoove to the full end of the term for which Letters Patent may be granted, as fully and entirely as the same would have been held and enjoyed by the Assignor, had this sale and assignment not been made.

2. Said Assignor hereby warrants and represents that, at the time of execution and delivery of these presents, said Assignor was the lawful owner of the entire right, title, and interest in and to said inventions, said applications for Letters Patent, and all Letters Patent set forth in Exhibit A and that the same had not entered into any assignment, contract or understanding in conflict herewith.

3. Said Assignor hereby covenants and agrees to assist and cooperate with said Assignee, whereby said Assignee may enjoy to the fullest extent said right, title, and interest herein conveyed, provided, however, that the entire expense which may be incurred by said Assignor in lending such assistance and cooperation be paid by Assignee. Such cooperation shall include: (a) prompt execution of all papers (prepared at the expense of Assignee) that are deemed necessary or desirable by Assignee to perfect said right, title and interest herein conveyed in Exhibit A, (b) prompt execution of all petitions, oaths, specifications, declarations and other papers (prepared at the expense of Assignee) that are deemed necessary or desirable by Assignee for filing or prosecuting in the United States or any foreign country said applications in Exhibit A, any applications which are a division, continuation, or continuation-in-part of said applications in Exhibit A, any reissue application for any Letters Patent granted on said applications in Exhibit A, or for any supplemental examination, re-examination, or *inter partes* or covered business method review proceeding involving said applications or Letters Patent granted thereon as identified in Exhibit A; and (c) prompt assistance and cooperation in the prosecution of all legal proceedings involving said inventions, said applications, or Letters Patent granted thereon and otherwise identified in Exhibit A, including oppositions,
