ASSIGNMENT OF PATENT RIGHTS

In consideration of **TEN AND NO/100 DOLLARS (\$10.00)** and other good and valuable consideration, the receipt of which is hereby acknowledged, I the undersigned, **KURT HERLOFF PETERSEN**, intending to be legally bound:

1. Hereby sell, assign, convey and transfer to **RICHARD COREY BREED**, residing in having an address of 1512 Forest Trl #201, Austin, Texas 78703 ("Assignee"), its successors, assigns and legal representatives, the whole and entire right, title and interest for the United States and all foreign countries, in and to any and all inventions and designs which are disclosed in the United States Patent Application No. 15/592,143 filed on May 10, 2017 and entitled "A TOILET FLUSHING SYSTEM INSTALLED IN A TOILET RESERVOIR" and setting forth Richard Corey Breed and Kurt Herloff Petersen as inventors and any United State Letters Patent issuing therefrom (collectively referred to as "Patents and Corresponding Applications"), all prior filed applications forming the basis for priority of the Patents and Corresponding Applications, and all divisional, continuing, substitute, renewal, reissue and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of the said inventions and designs; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said inventions and designs including the right to apply for patent rights in each foreign country and all rights to priority.

2. Agree that said Assignee may apply for and receive Letters Patent for said inventions and designs in its own name; and when requested, without charge to but at the expense of said Assignee, its successors, assigns and legal representatives, agree to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said inventions and designs; execute all rightful oaths, assignments, power of attorney and other papers, communicate to said Assignee, its successors, assigns, and representatives, all facts known to the undersigned relating to said inventions and designs and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said inventions and designs and for vesting title to said inventions and designs and all applications for patents and all patents on said inventions and designs, in said Assignee, its successors, assigns and legal representatives; and

3. Hereby request the Honorable Commissioner of Patents to issue to said Assignee any Letters Patent based on said inventions and designs; and,

4. Covenant with said Assignee, its successors, assigns, and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned and that full right to convey the same as herein expressed is possessed by the undersigned.

5. Agree that this assignment is to be binding on my heirs, assigns, representatives and successors and that this assignment extends to the successors, assigns, and nominees of Assignee.

EXECUTED on this 10th day of May in 2017.
