ASSIGNMENT

THIS ASSIGNMENT made effective as of the date of execution below ("Effective Date") by Michael E. Lester, of Burton, Ohio; Michael John Williams, of Landrum, South Carolina; and Matthew John Williams, of Chagrin Falls, Ohio (hereinafter referred to as "Assignors"), to Electrolock, Inc., an Ohio corporation having an address of 128 Spartan Green Boulevard, Duncan, South Carolina SC 29334 (hereinafter referred to as "Assignee").

WITNESSETH:

WHEREAS, Assignors have invented a protective cover for cable components (hereinafter the "Invention") for which a nonprovisional patent application was filed in the U.S. Patent and Trademark Office, the application being identified as follows:

Title: Protective Cover for Cable Components
Serial No. 15/014,754
Filing Date: February 3, 2016
Inventors: Michael E. Lester, Michael John Williams, Matthew John Williams
Attorney Docket No. 131384.22

(hereinafter referred to as "the Patent Application"); and

WHEREAS, Assignee desires to obtain from Assignors their entire right to the Patent Application and the Invention and all rights thereto in the United States of America and all countries throughout the entire World, their respective possessions and territories (collectively hereinafter referred to as "the Territory").

NOW, THEREFORE, in consideration of one dollar (\$1.00), and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by Assignors, Assignors agree as follows:

1. *Assignment.* Assignors agree to assign and hereby assign to Assignee any and all of their entire right, title, and interest in the Patent Application and in the Invention, in the Territory, and in any improvements in the Invention heretofore made by Assignors ("Improvements"), and to all rights of priority thereto pursuant to the International Convention for the Protection of Industrial Property; and in any patent applications, including, without limitation, any provisional and non-provisional applications, and patents in the Territory based upon the Patent Application or patent applications related thereto (including applications filed under the Patent Cooperation Treaty ("PCT")), and in any patents for or other rights in the Invention and/or the Improvements that may be granted by a governmental entity in the Territory, including each patent granted on any application, including, but not limited to, any application filed under the PCT, any provisional application, any non-provisional application, any utility application, any design application, any continuing prosecution application, any request for continued examination application, any other type of continued examination application, and any application having similar effect as any of the foregoing applications, and any application which is a division, substitution, continuation-in-part, or continuation of applications contemplated herein, and in each issue, reissue, re-examination, or extension of any patents based on such application.

2. *Cooperation.* Assignors agree to cooperate with Assignee such that Assignee may enjoy to the fullest extent the rights conveyed hereunder. Such duty includes prompt execution of all assignments and applications, foreign or domestic, and other papers that are deemed necessary or desirable by Assignee to perfect in Assignee the conveyed rights.

3. *Parties.* The terms, covenants, and conditions of the assignment shall inure to the benefit of Assignee, its successors, assigns and/or other legal representatives, and shall be binding on the Assignors, their representatives, heirs, legal representatives, and assigns.

IN WITNESS WHEREOF, Assignors have executed this Assignment to be effective as of the Effective Date.
